JUST TOO GREAT

I'd like to know if there's a fan club for the Osmond Brothers that I could join? I'm just crazy about them—especially Donny!

YES, THERE IS AN OSMOND FAN CLUB AND IT'S HEADED BY THE OSMONDS' OLDER BROTHERS, TOMMY AND VIRL! FOR MORE INFORMATION SEE PAGE 16!

HOLD ON!

I'd just like to say that I think Bobby's latest song "Jennifer" is beautiful! Everytime I hear it I need a two ton weight to keep me from floating into the air!

FIRST AND LAST

Even though I am only 13, I hope that David Cassidy will wait for me! I plan to become the first Mrs. Cassidy and the last!

BRAND NEW CONTEST

David Cassidy is one of the grooviest guys I have ever known! He wears some of the toughest clothes that even make him look that much greater! You should really have a contest that gives away David's pants and shirt—but David should still be in them! Wouldn't that be great? Well, I guess a girl who enjoys him can always dream about him!

TOO MUCH COMPETITION

I called up KNOW radio and asked our disc jockey Jay Allen to give his personal opinion on Donny Osmond. He said Donny was the most talented guy in the world and that he will be another Frank Sinatra. He also said that Sinatra retired because Donny's competition was too much for him! Right on!!
