Susan continued, indicating her pants and jacket. "I've been in that dress all day, and I didn't think I could wear it another minute!"

Confidentially, Susan looked so pretty in her purple pants and matching jacket, that you would have thought she spent all day getting ready. I guess that's the way it is when you're beautiful... just put anything on, and you come out looking like a million dollars!

David had said that he wasn't sure if he could make it or not, but that he'd certainly try to be there, but he never made it. It turned out that he had an unexpected press conference too, and it lasted into the night.

Brian isn't feeling too well, so it doesn't look like they'll be able to come. It's nothing serious, just a cold or something."

Danny the Magnificent

Danny couldn't resist the temptation to show everyone some of his new magic acts! He'd been practicing very hard, and did a number of rope tricks, and then announced that he had a big finale!

"But I need my magic table, and I can't find it!" Danny exclaimed.

I could feel my face turning red as a beet! You see, I knew where his magic table was! I had put it in my room, covered it with a flowered tablecloth, (which I made myself, I'll have you know!) and made an adorable van-
