

ity table out of it... only I knew if I told Danny, he'd never appreciate it's adorableness!

So I just said, "Hang on Danny, I think I know where it is!" And with that I disappeared and reappeared with the table! So much for my vanity table.

I hope Danny misses this column! He still doesn't know where the table came from! But anyway, Danny did his big finish, and it was a smash! I'd tell you what the trick was, but he'll be on tour soon, and if you're lucky enough to get to see him, he'll be doing the magic act in person, and I don't want to spoil any of the fun!

**PARTRIDGE MAILBOX**

Dear Cecelia,

One of my friends said that you don't live in the same house with Danny, but in your column you said you did! I'm confused!

Thank you,  
Natalee

Dear Natalee,

I sure do live at home! It's so much fun at the Bonaduce's, why would I want to leave?

Dear Cecelia,

Are you still going to be President next year? I hope so, because I know you always tell the readers the truth, since you see the Partridges all the time.

Peace,  
Georgia

Dear Georgia,

Thanks for caring! Yes, I am going to be President next year, so keep watching the newsstands for Tiger Beat and FaVE, so you'll get all the new Partridge News!

Dear Cecelia,

Does Danny like to bowl? I was just wondering, because I think I saw him at a bowling alley.

Peace to Everyone,  
Fred

Dear Fred,

It's quite possible that you saw Danny at a bowling alley! Dan's a great bowler, and he goes to the bowling alley frequently!

Dear Cecelia:

Is SUSAN DEY happy with her new home, and can you give me her new address?

Your friend,  
Claire Gomberg

Dear Claire:

Susan says to thank you for asking, and yes, she is very pleased. We can't give out her address however, because too many people would like to drop by and visit, and Susan needs some privacy too. But you can continue to be her friend and ours and write to all the Partridges here at Fave!
