(Continued from page 16)

WAYNE EQUALS WOW!

We just love Wayne Osmond! His penetrating brown eyes, deep voice and downright sexiness really turns us on! We love the rest of the Osmonds too, but Wayne is our super-favorite.

COMPLIMENTS TO DAVE

Dave Madden must be a great cook because my little brother hardly likes to eat, but when he tried FaVE's recipe for Dave's Sloppy Burgers, he ate every bite! His compliments to the chef!

FAVE WINS OUT!

I love your magazine and here's one way I proved it! My mom said she'd give me money for either a FaVE magazine, or \$1.25 for the movies. Well, I picked the FaVE mag! By the way, it was a real good movie playing too, but I turned it down for FaVE!

FOUR GREAT DAYS

The four best days of my life were the four times I saw Bobby Sherman in person! He's really a nice, sweet, considerate human being, and anyone who has met him will tell you the same. Please tell Bobby to keep up the good work. The world needs more people like him!

TURNED OUT BEAUTIFULLY

I came home from school one day feeling very low. Then I saw my FaVE magazine on the table and after I finished reading it, everything was perfect!

THANKS FOR THE NICE COMPLIMENT!

ALMOST TWINS!

I just got through comparing Jay Osmond's and Wes Stern's pics, and you know what? They're almost twins! In fact, they're almost identical! Don't you agree?

ANOTHER OPINION

Jan Freeman, David Cassidy's stand-in, sure doesn't look like him. She looks more like Karen Carpenter, at least in my opinion!

DIFFERENCE OF OPINION

I think that David Cassidy is a real great guy and I love him a lot. But I don't agree that his stand-in on the show, Jan Freeman, looks like him. Just because her hair is like David's and she's tall and slender, doesn't mean they're alike. I hope she's not trying to ruin David!

THE SPELLING BEE

There was a big spelling mistake in your February FaVE RaVES column. I don't see how anyone could misspell a word like love, but Debbie Wilson did! Debbie, wise up—love is spelled with 20 letters! It's ROBERT CABOT SHERMAN JR.!

LOVE THAT HAIR!

We just adore Donny Osmond's new haircut! He looks so much cuter than he did before. We hope he'll never change! What about it, fans? What do you think of loveable Donny's new haircut?

EXCITEMENT IS...

Excitement is writing to Donny Osmond, asking him to come to your party and he comes! (A beautiful thought!) Dreaming lovely dreams is thinking Donny scratched himself so you fix him up and he gives you a kiss as a thank you present! Wouldn't that be nice?

SUPER COOL

I just heard "All Strung Out" by Chad Everett and it's really great! So is he, so let's have more on him! I really don't get excited over the 12 and 13-year-olds you write about, but Chad is something special! Anyone agree?

STUCK IN BETWEEN!

I am 16 years old and am madly in love with Donny and David. I feel I'm too young for David, yet I'm too old for Donny! How come there isn't a cute loveable star just my age who I can fall madly in love with?!

GREATEST GROUP

I think the Osmonds are the greatest people in the whole world! They really deserve a magazine of their own! Please run this picture I took of Donny and Merrill when they were in Dayton.

MORE ON CHRIS

I am a long devoted fan of Chris Knight's, and last "knight" when I was watching the "Brady Bunch" and he came on, the small chair I was sitting on collapsed! If there's one thing he makes me do, it's collapse. And when that happens, everything else in the house goes too!

TALENTED GUY

My friends and I really dig Brown-ing Bryant. He's adorable, cool, and really has a fabulous personality. He composes songs, plays several instruments and truly has many talents. Please continue your coverage on him. We appreciate it very much!

DOUBLE JINX

I agree with Ellen E. Cox of Clyde, Ohio that Donny Osmond is a jinx! The first time I heard his single "Hey Girl" I started dancing around and tripped and sprained my ankle! (which just goes to show how exciting Donny really is!)
