

# DEAR CAROL

**Q. I read in the January issue of FLIP that none of the performing Osmonds are married. But in the same issue it says that one of them is married. What gives?** R.B.—Kansas City, Mo.

A. None of the *performing* Osmonds are married, but they have two older brothers who do not perform. One of them, Virl, has been married for some time and the other one, Tommy, has just recently gotten married.

**Q. Do Pete Duel and Ben Murphy live together?** R.R.—Louisville, Ky.

A. No, Pete and Ben each live in separate places. Pete has a small house in Hollywood and Ben has an apartment in the San Fernando Valley.

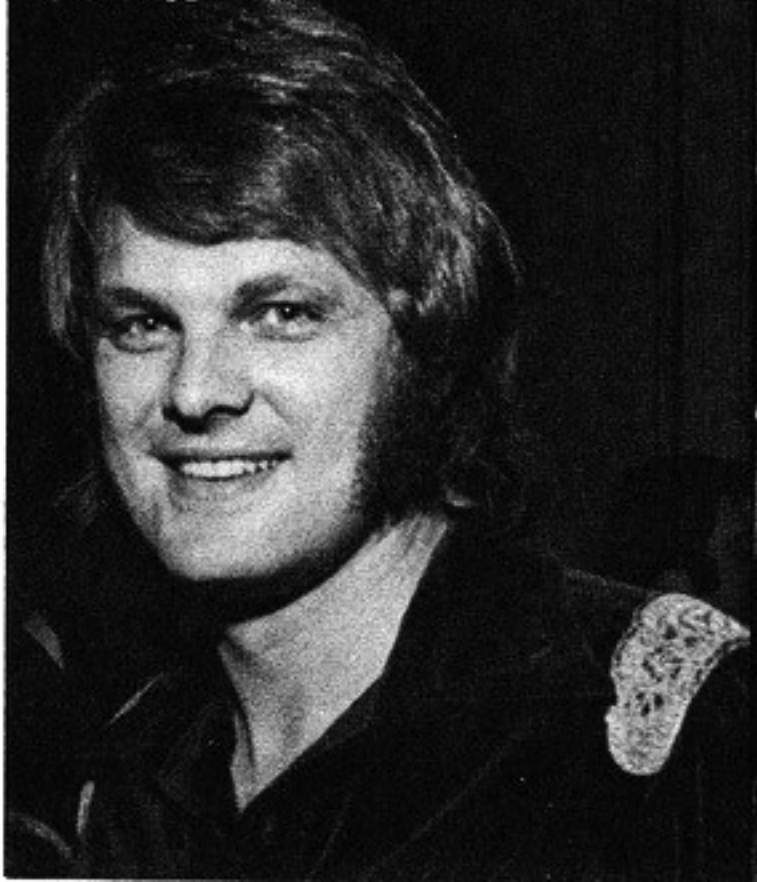

**Q. Is either Jim Hutton or Betty Hutton related to Danny Hutton of Three Dog Night?**

A. Nope.

**Q. My friend said that David Cassidy's middle name was Michael but every magazine I read says it is Bruce. Please tell me which one is right.** L.S.—Pooler, Ga.

A. Well, your friend is wrong. His name is David Bruce Cassidy.

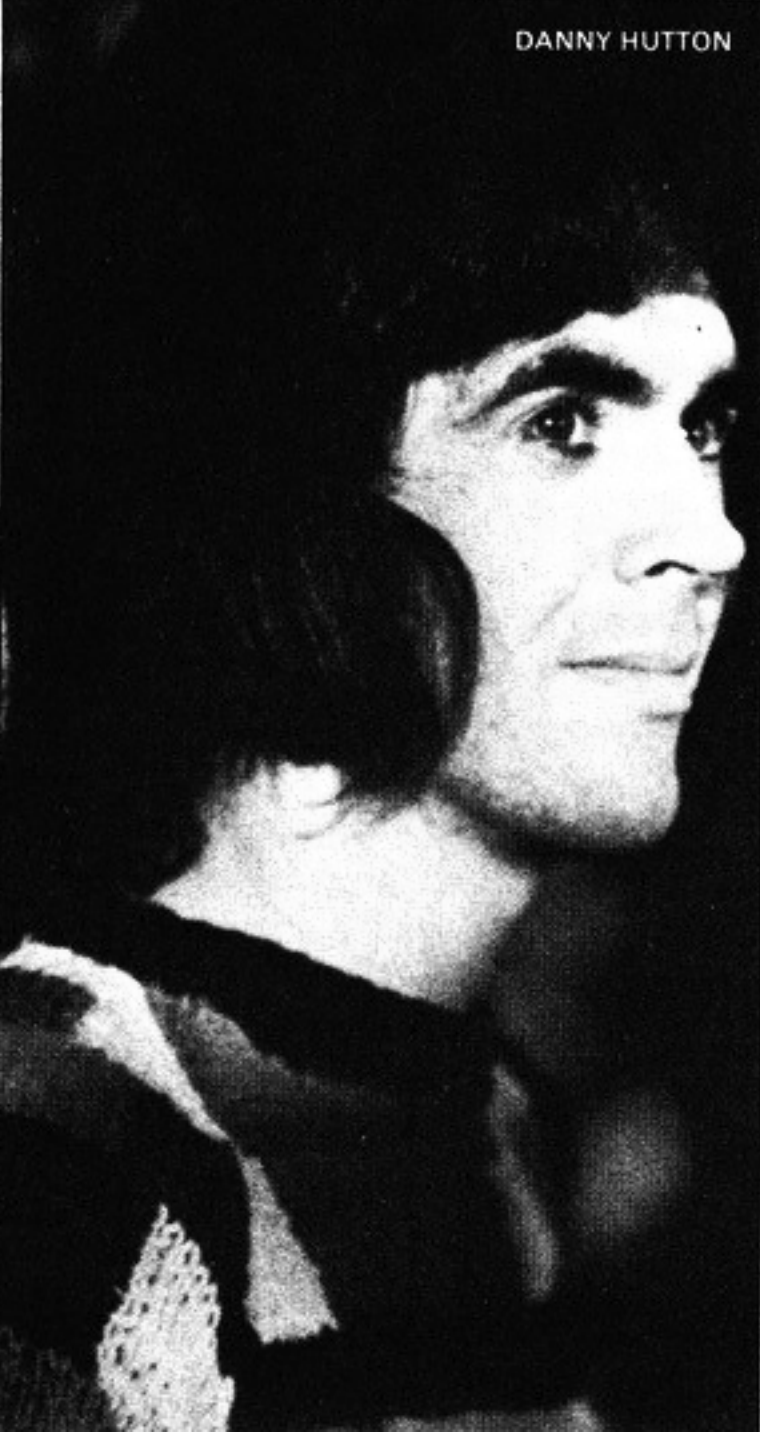

TOMMY ROE

DAVID CASSIDY

DANNY HUTTON

**Q. Yesterday Tommy Roe was on the Mike Douglas show and he said that he has been married four years. If that's true then his daughter is not really his because she is 9. Please tell me the truth.** J.B.—Sloatsburg, N.Y.

A. The truth is that Tommy was married once before and his daughter is from his first marriage. He has been married for four years to his second wife.

**Q. I read that Shirley Jones and Jack Cassidy have been married for 15 years. Then I read that they were divorced when David was little. Which is true, if any?** S.C.—New Hartford, N.Y.

A. My goodness, you are confused! Jack Cassidy and his first wife, David's real mother, were divorced when David was quite young. Then Jack married Shirley. Jack and Shirley celebrated their 15th wedding anniversary on August 5, 1971.
