

David's music! magic

Now you can sing along with David Cassidy on his very first solo album, "Cherish," and here are the words to help you along. David's very proud of his first LP and he wanted to share it with someone special—like you!

RICKY'S TUNE

Are you sleeping my baby
Just close your eyes and let me
Run a-way, Don't ya cry
I am leaving sweet baby
I've been in love with one who's
Far a-way, I can't live a lie

You said goodbye but I can't let
Something I believe in die
Can't you see how I'm feeling
Way deep inside, can't you see.

So please don't go
Look at all the love
We've got to show
Don't you know
That I'm always gonna love you so
Don't you know, don't you know

Baby I'm sorry
I needed sometime to grow
I've got it all straight now
Baby believe me
It's not what it seems to be
And if you leave me now
I'll know I lost my chance.

I've got something inside me
You know I can't hide
And each day since I left her
She's been on my mind.
So take care of yourself and my Ricky
And my Ricky besides,
He's the best friend I had
I guess this is goodbye.
Are you weeping my baby
I let ya down
But I just cannot stay
Now I'm leaving sweet baby
I got my ticket it won't pass me by
I can't live a lie,

I've got something inside me
You know I can't hide
And each day since I left her
She's been on my mind

And repeat to end

MY CHANCE

I had my chance
Now you're leavin'
With another man
Baby, I've got to try
And make you understand
If I can, If I can
Baby I'm sorry
I needed some time to grow
I've got it all straight now
Baby believe me
It's not what it seems to be
And if you leave me now
I'll know I lost my chance
