I AM A CLOWN

See the Funny little clown
See the puppet on a string
Wind him up and he will sing
Give him candy he will dance
But be certain not to feel
If that funny face is real.

Step right up and see him folks
Couldn't you die at all his jokes,
Couldn't you cry at all the tricks
He'll come up within a fix
But be certain not to stray
He will steal your heart away

I am a clown, I am a clown
You'll always see me smile
You'll never see me frown
Sometimes my scenes are good
Sometimes they're bad
Not funny, ha ha, funny—sad.

I am a clown, look at the clown
Always a laughing face
Whenever you're around
Always the same routine
I never change, not funny, ho ho, funny strange.
Funny strange.

Sometimes I think the world
Is a circus town
Sometimes I feel I belong
In a side show
The man on the flying trapeze
Ain't never coming down

He knows what I know
If you look inside
If I didn't hide
You might decide
You don't want me

I am a clown
That's why I'm a clown
Just like the fool on the hill
Beggin' to come down
I want to live again
Oh I want to feel

Tell me you love me
Make me real
Tell me you love me
Make me real
Tell me you love me
Make me real.

COULD IT BE FOREVER?

Could it be forever
Or is my mind just a ramblin' on
Well I touched you once
And I kissed you once
Now I feel like you're mine

Well I feel like you're mine
And I see in your face I'm not wrong.
To have these feelings
Well I feel like you're mine

I've never known no time before
That's had so many meanings

Could it be forever
Or am I just a wasting time
Well I don't think so cause
You let me know you make me
Feel like you're mine

Well I feel like you're mine
And I can't remember
When the feelin's have
been stronger

And all I know's I can't let go
I wanna be with you
Just a little bit longer

All my feelings come together
All of me is here
Never known when I've felt better
I know this won't disappear

But could it be forever
Or is my mind just a ramblin' on
Well maybe it is and if it is
Then I'll be movin' on.

I WAS RUNNING THE OPPOSITE WAY

We were such good friends
In the beginning
You were like a sister to me
Now we're in the final inning
And girl it looks like strike three.

I was running in the opposite way
When you wanted me I didn't want you baby
Running in the opposite way
Now it's me who's wanting you today
But you're running in the opposite way
Hey Hey Hey Hey Hey

You grew up before my very eyes child
Just when you said, "Wow, what have we here."
You ran into someone else's arms child
And I love you I love you I love you
My darlin' dear

I was running in the opposite way
When you wanted me I didn't want you baby
Running in the opposite way
Now it's me who's wanting you today
But you're running in the opposite way
Hey Hey Hey Hey

IT'S ALL IN YOUR MIND

You can be what you feel
Life is a ferris wheel
Come take a ride, it's on the inside
Where you will find
It's all in your mind.

Listen, listen, you take
A friend of mine
He was sad all the time
Then he got smart,
Oh he opened his mind
And it helped him to find
It's all in his mind
It's all in your mind
It's all in your mind.

Listen, listen, it doesn't
Matter at all
Who you are or what you need
Just take a look inside
Inside you'll find
It's there in your mind
Baby it's all in your mind

Who needs money in a
Land of milk and honey
I'll tell you one more time
You'll find it in your mind
Baby it's all in your mind

Listen, listen, you can
Be what you feel
Life isn't really real
It's up or down
Put your feet on the ground
And maybe you'll find
It's all in your mind
It's all in your mind
It's all in your mind

And repeat to end
