

### LOVES THAT SONG

We felt we had to tell everyone about what happened in our family before we die laughing! Our mom liked Bobby Sherman's record "Jennifer" so much, that she named our new little sister Jennifer Cheyenne! Can you imagine what would've happened if her favorite song had been "Yo-Yo?!"

### ONLY THE GREATEST

I really think that the Laufer Co. works hardest in putting out their fabulous magazines each month. You must work your fingers to the bone! You deserve a lot of credit for your great job!

Dear Ann,

Awhile back I sent in for my copy of "The Secret Life of Donny Osmond," and it finally came in the mail! It's really super and taught me a lot about Donny and his brothers. The pictures are great too! Thanks for offering such an interesting book. I hope you'll be coming out with more!

Dear LaDawna,

Stay tuned to **TIGER BEAT**, and there will be lots more exciting books coming up! In the meantime though, if you know of anyone else who's an Osmond fan, have them check out page 43 on how to get their own copy of "The Secret Life of Donny!"

### DAVID IN WONDERLAND

I think David Cassidy is just great! My bedroom looks like "David Wonderland!" I have pictures of him hung all over my walls, all his records playing and books all about him. David, I love you!

### SHORT 'N SWEET

I have only one thing to say and that's **BOBBY SHERMAN IS LOVE!** Spread the word!

Dear Ann,

If it weren't for **TIGER BEAT**, I don't know what I would do. Your magazine is my only source of information here in this little corner of the world where I make my home! Keep up the good work, and remember you have a fan!

### DAVID CARES

I was listening to David Cassidy's single "Cherish" and finally the words got to me. I was suddenly aware that maybe David is trying to tell his fans through his record how he feels. David's terrific and I'm sure glad he's around!

### BETTER THAN EVER

I think the Jackson Five are the greatest group to ever happen! Their family is wonderful too. I was reading **TIGER BEAT**'s story by Mr. Jackson about how his sons live, work and relax. The whole family just seems so beautiful, and Michael's the one I really love! My mother likes to joke with me and say that Michael called while I was out, but I know that would never happen. I wouldn't mind if it did though!

### LOVE AND THE MARKET!

I was in the supermarket near my home the other day, and couldn't believe who I saw! Coming down the aisle towards me with his grocery cart was gorgeous Chad Everett, my favorite star on "Medical Center!" I stopped to get his autograph and he was really sweet. You can tell he sincerely cares about his fans by the way he acted towards me, and it's a day I'll cherish forever!

### THE POWER OF SMILES

I am so proud of Donny Osmond! I don't really know if it's my place to be "proud," but I am, just the same! All the while he was sick he managed to have a smile on his face, and not many people are able to man-

age a smile while experiencing such pain. If he could do it then, why can't more people smile during an ordinary day?

### SUPER BIRTHDAY SURPRISE

I just had my birthday, and I "celebrated" it with David Cassidy! My mom knows how much I love David so she put on my cake a little guitar with a plastic staff on it. On the musical staff was a picture of David, which really made the cake unique! If that wasn't what you'd consider a great birthday, then I don't know what is!

Vicki Chelepis

Dear Ann,

I want to thank you for putting that beautiful pop-out poster of Donny Osmond in your January issue. I saw it and almost died! Thanks again!

### HIP SCHOOL

We had our first school dance about two weeks ago. When the disc jockey played "Yo-Yo" or "Go Away Little Girl" more than half the girls started screaming and crying because they like the Osmonds so much. The Osmonds are the best liked group at our school.
