

# Q TIGER beat A questions answers

**Q.** I heard that the Osmonds live in an apartment now. Isn't their family a little large to be squeezed into a tiny apartment?!

**A.** The answer is yes and no! You see, the Osmond family is large, but they've moved into an apartment building, so they're really not crammed into a couple of small rooms. In fact, they find there's lots of room for all of them now! Alan, Wayne and Merrill share one of the apartments while Marie, Jimmy, Jay and Donny have another. Their parents occupy a third apartment, so there really is ample room. It also gives the boys a sense of independence, and they feel the move is working out great!

WAYNE

MICHAEL

**Q.** I simply have to know how tall Michael Gray is! I think he's really cool, and would love to know more about him!

**A.** Michael stands 5'9" and weighs a slim 120 pounds. He has green eyes and dark brown hair, and a warm, outgoing personality. For more on Mike, see page 44!

**Q.** Is Dionne Warwick spelling her last name differently now?

**A.** She certainly is, but all she's added was an "e" to the end of Warwick. She made the change when an astrologer said it could bring better luck!

**Q.** Who recorded "I Want to Take You Higher?"

**A.** Originally it was recorded by Sly and the Family Stone and then re-released at a later date by Ike & Tina Turner.

**Q.** My girlfriend was telling me that David Cassidy's roommate Sam writes a column about living with David in one of the Laufer magazines. Where will I find it?

**A.** You'll find it right here in TIGER BEAT—just flip to page 48! And be sure to check out David and Susan's "Tell It Like It Is" column every month in TIGER BEAT too!

**Q.** Did Jimmy Osmond play in Walt Disney's movie "Million Dollar Duck?"

**A.** No, Clint Howard was the star of that!

**Q.** For months I heard about Mick and Bianca Jagger's expected baby, and I was wondering if he was born yet? If so, please tell me all you know!

**A.** Mick and Bianca became parents for the first time late last year with a beautiful little girl! She already has lots of thick dark hair, and the proud parents named her Jade!

**Q.** It is true that Neil Diamond is planning on retiring later this year? I hope it's just a rumor 'cause the music world would be lost without him!

**A.** We agree, and hope it's just a passing thought of Neil's too. However, at this time it looks as though he wants to go into semi-retirement following his spring tour, so he can rest and give further thought to his future in music. As soon as we hear something definite, we'll let you know!

**Q.** Could you please run a picture of Billie Hayes without any make-up? Between "Pufnstuf" and "Lidsville," I've never seen what she really looks like!

**A.** Wonder no more! See our picture below!

BILLIE

DANNY

**Q.** I saw a special program about a half-year ago called "Cat Ballou" and was wondering if the readheaded boy in there was Danny Bonaduce? It sure looked like him!

**A.** Yes, that definitely was Danny!

**Q.** Please help me because I just feel terrible! Awhile back on "Medical Center" I thought I spotted a cast on Chad Everett's foot. What happened, and is he all right?

**A.** We're glad to say that Chad Everett's fine, but he was wearing a cast for awhile. During hiatus on "Medical Center" Chad was engaged in a game of tennis, and accidentally sprained his foot. He had to wear a cast for a couple of weeks, but he's feeling fine now!

**Q.** Can you tell me all the instruments that Bobby Sherman plays?

**A.** We sure can, but prepare yourself for a long list! Bobby plays the drums, bass guitar, trumpet, trombone, harmonica, piano, organ, baritone small tuba, French horn, and the sitar!

**Q.** Is Darleen Carr of "The Smith Family" a newcomer to television? I really think she's talented.

**A.** Despite her youth, Darleen is not a newcomer to entertainment at all! She's been in the business for a number of years, having started in productions on stage. Her television credits aside from "The Smith Family" include "Marcus Welby, M.D.," "To Rome With Love," "The Virginian," "Mayberry R.F.D.," "The Governor and J.J.," "FBI," and "Men From Shiloh."

DARLENE

DONNY

**Q.** I just received Donny Osmond's fantastic LP, but the title of mine is "To You With Love, Donny." In your record review column a few months back it was titled "Go Away Little Girl." What happened?

**A.** Originally, "Go Away Little Girl" was going to be the title of the album, and at the time we were going to press, a temporary album cover had been issued with that name. However, it was changed just prior to release, carrying the present title.

**Q.** Can you tell me where Todd Crespi was born?

**A.** Todd was born 20 years ago in Frankfurt, Germany.

TODD

DAVE

**Q.** I was just watching television and a cat food commercial came on, with the narrator sounding like Dave Madden. Can you tell me if I'm right, or if I've got the Partridges on my mind!

**A.** You may have the Partridges on your mind, but you're also right about recognizing the voice! That was indeed Dave Madden!
