

# DAVID ANSWERS YOU! CONTINUED

**WHAT ARE YOUR OPINIONS ON ECOLOGY AND THE ANTI-POLLUTION CAMPAIGN?**

*I think that, next to finding world peace, it's the most important thing on earth. If we don't take care of our planet, how can it take care of us?*

**DO YOU EVER WISH THAT YOU LIVED BACK IN THE OLD-FASHIONED DAYS?**

From Someone (again),  
Canastota, N.Y.

*Well, I could have gotten into being a minstrel or a troubadour, but this is the only time that I could have made records! Basically, I like it here—problems and all!*

**WHAT DO YOU FEEL ABOUT WOMEN'S LIB?**

Carol Harker  
Pennsauken, N.J.

*Ah, well. . . . There are things I agree with and things I don't. I think that a girl should be able to have any job that*

*I sing everywhere! And I love you, too, Atlanta, Ga.*

**WHAT'S YOUR FAVORITE BED-TIME SNACK? AND WHAT'S THE MOST UNUSUAL FOOD YOU'VE EVER EATEN?**

Ellie Garcia  
Santa Fe, N.M.

*I don't usually go in for bedtime snacks—by the time I go to bed, I'm all eaten out. The most unusual food I've ever eaten is almost anything Sam cooks!*

**WHEN YOU WEAR STUFF LIKE A BODY-SHIRT OR JEANS ON YOUR SHOW, ARE THOSE YOUR CLOTHES, OR DOES THE CLOTHING DESIGNER GET THEM FOR YOU?**

Shirley Pulcini  
Kensington, Conn.

*The clothes I wear on the show are usually from the studio wardrobe department, mostly because I have to wear make-up on the show and I don't like to get it on my clothes! The things I wear around the house look just like those clothes, though! And sometimes, when the studio puts me in a shirt I really love, I'll "accidentally" take it home! (Ssssh!)*

*she wants and be as well-paid as a man, and I don't think men should treat women like they weren't quite people or something—but I don't like anybody who tries to convince others by shouting at them, and there are quite a few of those in women's lib! Sorry if that upsets anyone.*

**WHAT IS YOUR OPINION OF X-RATED FILMS?**

Barbara Geiger  
Camp Lejeune, N.C.

*I haven't seen very many. I think it's sad when people have to get their kicks in the movies, but I don't really think anyone ought to censor stuff. Also, I think that most young people can handle a lot more in the way of movies that the censors think they can! I think violence is the best reason to rate a film "X."*

**THIS MAY SOUND A LITTLE KOOKY, BUT DO YOU SING IN THE SHOWER?**

Love You Always,  
Atlanta, Ga.

**WHAT ARE YOUR PERSONAL OPINIONS ON THE GENERATION GAP?**

Ann Wentworth  
Tampa, Fla.

*I think there's always been a generation gap, and there will be one when we're the older generation, too! I think it can be made narrower, though, if people will just listen to each other. More rap, less gap.*

**HAVE YOU EVER THOUGHT OF DATING KAREN CARPENTER?**

A Fan,  
Lake Arrowhead, Calif.

*Are you trying to fix me up? Actually, I've never met her, although I think it would be really neat if she and her brother were on our show!*
