traveler's checks. DAVID was naturally pretty upset, but relieved, at least, that he had most of his currency in traveler's checks. He told SAM that he was going to buy a new camera so that he wouldn't miss out on photographing any of the beautiful sights.

Sam was first to hear bad news.

I guess you've probably heard by now, but if you haven't SHIRLEY JONES and JACK CASSIDY have separated. I'm not about to try to tell you what their personal problems might be, because that's just what they are—personal, but I do know they haven't said anything about a divorce, as yet, and we just hope that their separation will work out for the best and that they might be getting back together.

SHORTIES: If you're a **THREE DOG NIGHT** fan, don't miss the paperback book covering their whole life histories (including some darling baby pictures) written by **JOEL COHEN** with **HAROLD PAYNE**. It's published by Open Horizons... Sorry I panicked you **RAIDER** fans (in the February issue) by printing that **FREDDY WEL- LER** is moving to Atlanta and **UNCLE PAUL** is searching for a permanent replacement—to clear things up, both those statements are true, but **PAUL** is searching for a replacement for **FREDDY** for the times the **RAIDERS'** schedule conflicts with **FREDDY'S** personal appearance schedule. **FREDDY** is still very much a **RAIDER**...

Maureen recently met David Jones.

Watch for **SUZANNE CROUGH** to appear in an upcoming Kentucky Fried Chicken commercial... **MARK LIND- SAY** recently returned from a short vacation in Mexico. Searching for furnishings for his house the only thing he returned with was a statue of a rabbit!... Hope you didn't miss **CHAD EVERETT'S** singing debut on the "Sonny and Cher Show" on January 31st. **CHAD** really showed off another of his versatile talents... Did you see the **BRADY BUNCH** kids on the "Ed Sullivan Special?" If you thought they were groovy as an act, you may be able to see them live soon—they're putting together a road show and hope to be touring by spring!... During their appearances at the Diplomat Hotel in Hollywood, Fla., **THE OSMONDS** broke the attendance record set by **ENGLEBERT HUMPERDINCK**. They brought in over 17,000 people in 10 days!

Osmonds broke attendance records!
