## PART IV

**the whole story  
as only his mom could tell it!**

What better way is there to find out all about David than by asking his mom? That's just what we did, and here, in her own handwriting, David's beautiful mother, actress Evelyn Ward, answers all your personal questions about her son!

How did you find out David was in the hospital recently when he had his gall bladder operation? Who told you? What were your feelings while waiting for the outcome? How did his dad react?

*I was here with Dave. I had spent several nights up till all hours trying to comfort him.*

*The doctor of course, made the decision. Waiting for the outcome seemed interminable for me.*

*His surgeon explained to me that everything would be fine, and it was! Jack and I were with Dave before the operation!*
