

Has anything hurt David in the past year?

The most recent is the loss of our dog Sam (Ritz) It's been very painful for Dove. It certainly has been for me. I was so in love with him. Dove and I raised this dog together and he was an exceptional animal. He came into our lives when we both needed a friend very badly.

DAVID AND HIS dog Sam were best friends.

IT WAS WINDY in N.Y. when David's mom went along on tour!

It has been very difficult for David to deal with. It happened so fast. He was such a loving, intelligent and vibrant animal and will never be forgotten.
