some magic tricks, so I borrowed the table to do some practicing."

"What sort of magic are you going to do?" we ask. "A magician never tells" DAVE says mysteriously! "But why don't you come and see one of our shows... we'll probably be doing a couple in California, as well as a few on the East coast."

We promise to catch one of the shows, and you suggest going over to DAVID's trailer, to see how he's getting along on this hectic day of packing.

DAVID ANSWERS

We're walking to DAVID's trailer, and stop on the way to say hello to BRIAN and SUZANNE. "Why aren't you busy packing?" you ask. "Well, my mom said I was in the way... I don't pack things too well, and I guess she can do it better without me. I offered to help, but mothers are like that sometimes,"

SHIRLEY TAKES A last look around the Partridge set before saying goodbye till next season begins!

BRIAN says seriously.

"I already finished!" SUZANNE says proudly, and with that, we're back on our way to DAVID's! We knock loudly on DAVID's door, so we can be heard above the stereo. We hear the music being turned down, and then DAVID answers the door!

"Hi!" he says. "I'm glad you dropped by... I was hoping to see you once more this season because I want to make sure we keep in touch while we're not shooting. I'd really miss you if we didn't." Your heart beats with delight as you promise to keep in touch, and that's one promise you'll be happy to keep! "Where are you going during vacation, DAVID?" you ask, glancing at a group of travel pamphlets on the coffee table.

"I'm going to Europe for awhile," DAVID says, and you can tell that he's really excited. "It's something I've wanted to do for a long time, but I never had enough time. Now, with this long hiatus, I can take a nice long trip, and see everything!"

"We hope you have a nice trip, DAVID, and we'll see you as soon as we can," we promise as we're leaving.
