

Want to come along to David's 22nd birthday party? He'd love to have you - it's ready to begin!

"WHEW!" WAS ALL David could say as he sat down among his presents! "I thought last year's party was really super, but this year is even better!" What surprised

him most was the fact that fans sent him gifts from all over the world, and one of his favorites was a handmade pillow sent to him all the way from Japan!
