**WHO'S TOPS**

This note is to all those people who say that David Cassidy should always be tops. Well, David's been around, being tops, for more than a year by now and he's had enough of it. So I answer your question on the cover of the May TBS issue: Who's Tops—Donny or David? The answer is **DONNY!!**

Osmond Power

**LOVE THE MOST**

I'm a great fan of the Jackson Five. I went to one of their concerts and they were nothing but great. I love all of them, but the one I love the most is Marlon. He's so groovy! Please keep on writing stories on Marlon and his super-great super-brothers.

**WHY?**

Why do disc jockeys always have to chop on Donny Osmond? There's one D.J. who's a little on the weird

side and barks through "Puppy Love!" He's always introducing him as little Donny Osmond from the peanut gallery! But no matter what he says, we think Donny's great!

**BEAUTIFUL KNIGHT**

I think that Chris Knight is the most beautiful guy I've ever laid eyes on. For the past 3 nights in a row, I've been having really strange and wonderful dreams about him asking me to marry him and all of that. It seems so real to me when I wake up, but a dream is better than nothing.

**DON'T KNOW EVERYTHING**

I love the Osmonds Super Annual and I hope you'll be putting out millions more! At first I thought I knew everything about the Osmonds, but when I read the Super Annual, I found out a lot of stuff that I never

knew before. Now I'm convinced that I don't know everything on the Osmonds. Please keep on writing gob and gobs of stuff on the Osmonds.

**COPY-CAT**

I think that Michael Gray is trying to copy David Cassidy! Even his pictures look similar to the kind David has taken. I see him as a copy-cat and he'll never ever compare to David no matter how hard he tries.
