

DAVID:

HOW

TO

LOVE

HIM!

Loving David isn't hard at all, but do you really know how to show him that special love of yours?

- ... Plan a special picnic up in the hills with just David, you and the beauty of nature.
- ... A special present to him is very simply a huge bottle of 7-Up!
- ... Look into his eyes and say "I trust you," with your eyes.
- ... Flash that special look in your eyes whenever he walks into a room.
- ... When he's down and feeling blue, just take his hand and say "I care about you."
- ... Pack a picnic lunch but, not just sandwiches, instead a huge container of a zillion different fruits, a bunch of cheeses and for dessert a huge jar of dry roasted cashews!
- ... Send little love notes stuffed in boxes of homemade cookies.
- ... Know when to talk and when to just listen!
- ... Let him win at ping-pong sometimes even though you're really better.
- ... Walk along the beach and suddenly throw your arms around him and hug him as tight as you can.
