IT WAS EASY to tell that David was surprised and very pleased with his gift from all the Laufer Co. staff members—a color portrait of Kula!

DAVID RECEIVED LOTS of hand-made pillows and dug all of them!

It was a beautiful, breezy, California day—and David's face reflected

SCRAPBOOKS ALSO CAME in by the ton, and David read through them! He was surprised that so many girls took out the time to make them for him!

EVEN KULA, DAVID'S cuddly puppy joined in the birthday celebration

the beautiful feelings he felt deep inside for YOU and your thoughtfulness!

LIZ AND SHARON, Partridge and Tiger Beat's editors, were there too!

BY THE TIME all the gifts were open, paper and ribbons were all around!

DAVID'S PARTY was a fabulous surprise and it's all because of you!
