

HOW THOSE PARTRIDGES HAVE GROWN!

continued . . .

ME AND DAVID goofing around in the first season of PF. Glad to say that we still goof around together.

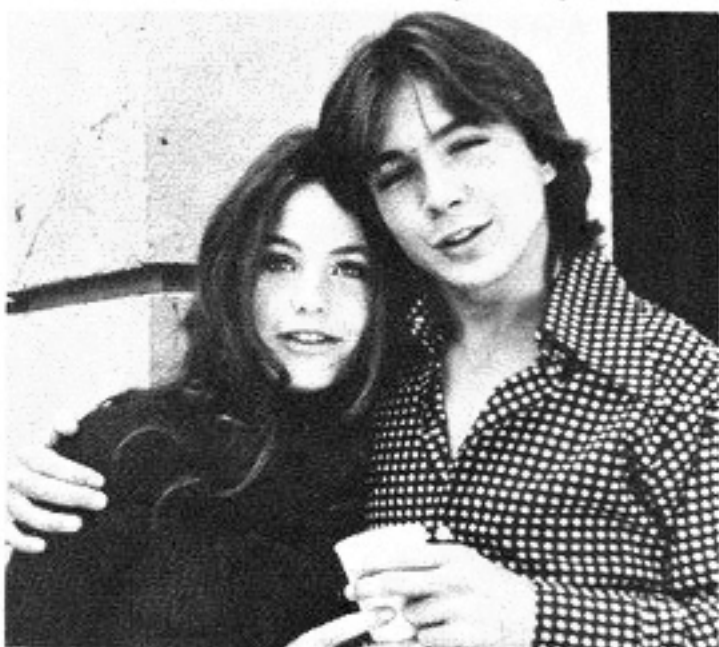

TOLD YOU WE'RE still friends. This picture of David and I was taken not too long ago and as you can see we still talk and buddy around on the PF set.

THIS PICTURE of Suzie cracks me up! Look at that toothless grin! 52

WHO IS THAT GIVING the red-haired dynamo of the PF set a lift? Could it be ME? I must be getting soft or I really like the kid! Maybe it's both!

SUSAN AND DAVID have kept a close friendship from the very beginning!

GETTING pictures taken with Susan is great but she makes me look ugly!
