

**DAVID'S BEEN GROWING** in all the fields of entertainment and from the looks of his concerts he's fabulous!

**BRIAN'S BECOMING** a whiz on the drums—have you noticed? I have and so has David. The blonde kid's good!

**SUZANNE OFFERED** me a bite of her candy bar but from the look on my face I wasn't too hungry at the time!

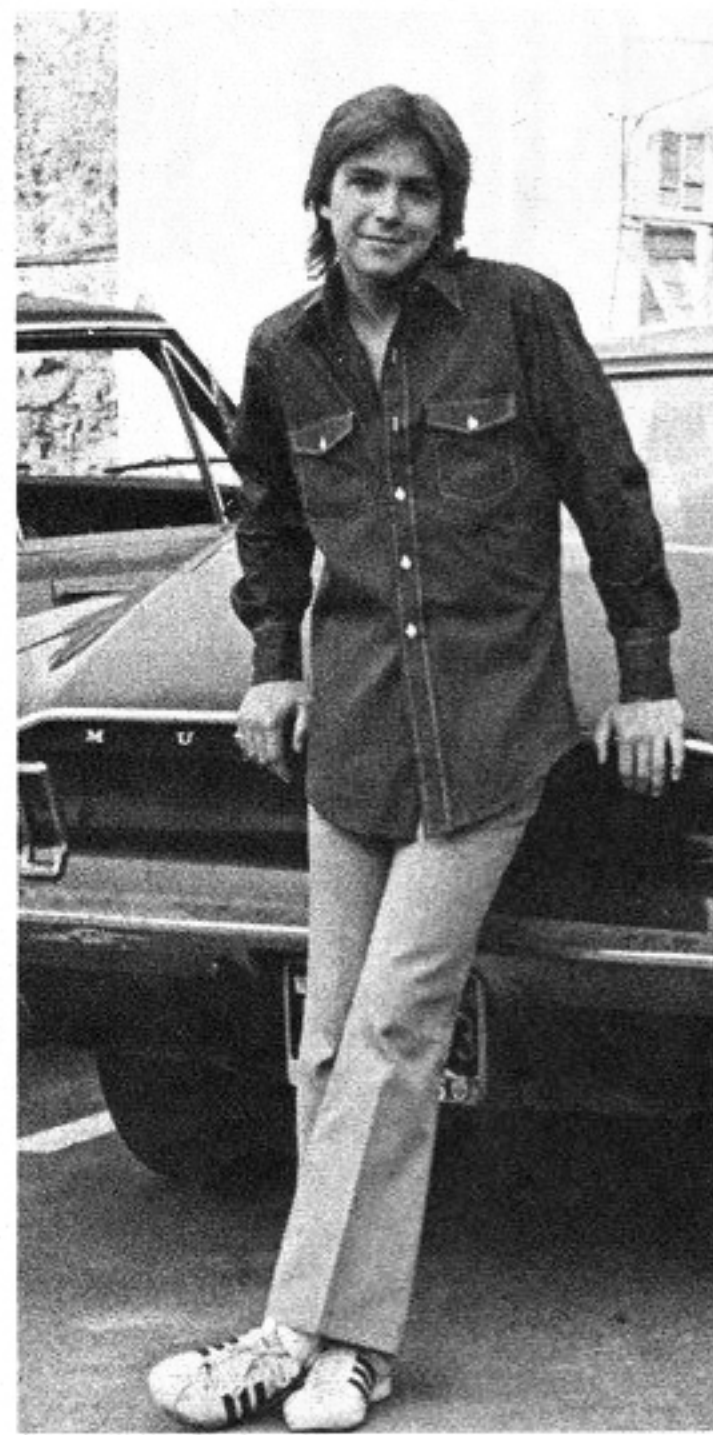

**CHATTING WITH SUSAN AND DAVID** even in the very first season was fun and it was an education for me. I learned that young people have great ideas!

**PF KIDS** and bikes go together like bread and butter. Just try to borrow their bikes—it's no go for anyone!

**IF YOU CAN'T** borrow a bike you do what I do—**SHARE** it with them. Guess that's how Brian got this free ride!

**DAVID & HIS OLD Mustang.** His values really haven't changed that much—money doesn't mean that much to him!

**DANNY OUR CLOWN** has done some growing up too and he's gone to almost everyone on the set for advice.

**DANNY'S GROWN** some so I can't use him as an elbow rest anymore. I guess **ALL** of the PF kids have grown!
