

Linda Sanderson, age 12½, will soon be riding around town in Hamden, Connecticut on David's Bicycle! (David's Roadmaster bicycle courtesy of AMF Wheelgoods.) She was the lucky winner of the **WIN DAVID'S BICYCLE** contest in the May issue of **Partridge Family Magazine**. David just loved her reason for wanting his bicycle! Linda wrote, "I love David and bicycles; and riding with him would make my heart beat and my feet pedal faster."

Cathy Davis, age 13, will be able to wipe her face with David's personal concert towel! Yes! Cathy correctly guessed the number of David Cassidy concerts between Feb. 1, 1971 to April 30, 1972 to win the **WIN DAVID'S TOWEL** contest in the June issue of **Partridge Family Magazine**! By the way, the correct answer was 55!
