

# Design A Partridge

Here's your chance to show just how creative you can be! YOU get to design a costume for the Partridge Family!

Just choose a model (you have six to choose from—Shirley, David, Susan, Danny, Brian, or Suzanne), then let your imagination go wild and free and create a Partridge design that's truly your very own idea.

You can dress the boy Partridge of your choice in fancy jackets, or simple vests, with flared pants . . . or whatever else you can think of.

The girl Partridges can have floor-length gowns designed—or a mini-dress if you prefer working with less material.

It's all for fun . . . and terrific prizes too. If your drawing/design is chosen (the Partridges and editors of **Partridge Family Magazine** will choose the four winners), you get your drawing printed in the very next issue with your name and picture right next to it! PLUS you'll receive personally autographed thank you cards and pictures of the entire Partridge Family!

So get your drawing pencils, ink, colored pencils, paints (or whatever art tools you'll need) out, grab

some paper, and put your thinking caps on right now. There will be four lucky winners—and one of them could be YOU!

After you've finished your design, fill out the coupon below or a facsimile and clip it to your Partridge costume. Good luck and have fun!
