GET IT!

This is to all the girls who don't have David Cassidy's solo album. GET IT! It's got beautiful songs and David makes them even more beautiful with his wonderful voice. I just love it more than this letter can ever say. David, you've made me delirious with joy and if it's possible, I'm even more in love with you than before!

A loyal, devoted and loving David Fan

Dear Liz,

Several girls at school have that groovy book of David's, "David's Photo Album." Is there still one left for me? How do I get it?

Dear Betsy,

Yes! And here's how to get it. Turn to page 108 and send in the completed order blank today!

BEAUTIFUL PEOPLE

Partridge people are beautiful people, especially Shirley Jones. I think she is such a great actress and truly beautiful on the inside as well as on the outside. I love all of her movies and every time they come on the TV I watch them, no matter if it's my 100drth time!

DEDICATED TO THE PARTRIDGES

If you turn on your TV Friday night at 8:30 you'll see the best show that has ever been on. The reason it's lasted so long is because of the talented cast. For instance there's David...

Only one sentence could describe how I feel about this guy... Wish he were mine! Shirley's sweet, neat, She can't be beat!

Susan's poised, pretty Also very witty!

Now here comes Danny and if you're down, he'll turn your frown UPSIDEDOWN! Suzanne's too cute for words, so quiet and shy but when she gets to talkin', boy there's no stoppin'! Brian's the new one of the bunch, but I've got a hunch that he'll go far to be a star!

I love Dave, he's my fave don't ever go or leave the show!

THINK YOU'RE SPECIAL

I'm a nine year old girl and I think David Cassidy is special. You're my idol! I think you're smashing-cool and so out of sight. I might be receiving your Partridge Up To Date album and I hope to get more. I buy the Partridge Family Mag. and I'm making a scrapbook about you. I also like your songs and I think you're great!

CALLING ALL GIRLS

Calling everyone to hurry and get their copy of Susan Dey's book "For Girls Only." Is it ever terrific! Susan answers all the questions I've been dying to ask her about beauty, grooming, poise — just everything! Thanks so much for putting a book like this out!

All girls who want to be just as beautiful as Susan Dey should get their personal copy of her book for themselves! Check the ad on page 75!

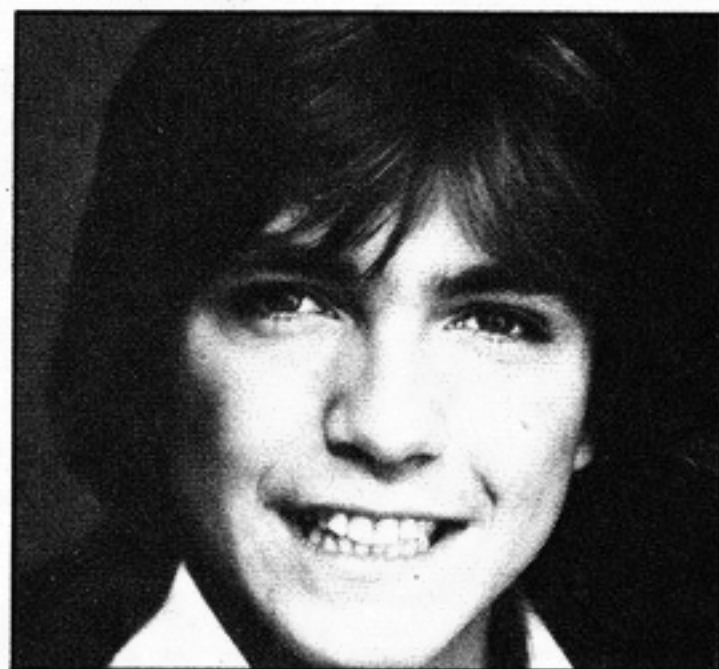

Dear Liz,

My girlfriend says Shirley Jones was born in New Jersey, I say Pennsylvania. Who is right? Also, is it true that she was in the Miss America Beauty Contest?

Nancy Kerns
White Planes, New York

Dear Nancy,

You're right. Shirley was born in Smithtown, Pennsylvania and she won the title of Miss Pittsburgh and entered the Miss America Beauty Contest, where she was a runner up!

NEVER FORGET HIS FACE

Jeremy, wherever you are, I LOVE YOU. I'll never forget your face. I almost started crying when I heard you weren't going to be on the show. If you want to know the truth—you're cute. I watch the Partridge Family every week, but it was better seeing your face on the screen. I hope you come back and I always wish that I'll see you in true life. By the way, I'm 10 years old.

MY WHITE KNIGHT

I saw that darling picture of David Cassidy in his white outfit in the Feb. issue of PFM. The other night I had a beautiful dream that I was a damsel in distress and David came and rescued me and he was wearing that same white outfit. In the dream he lost one of his white boots and when I woke up I thought for sure it was under my bed. I'll let you in on a little secret, I looked under the bed to see if it was there!
