

### ON MY MIND

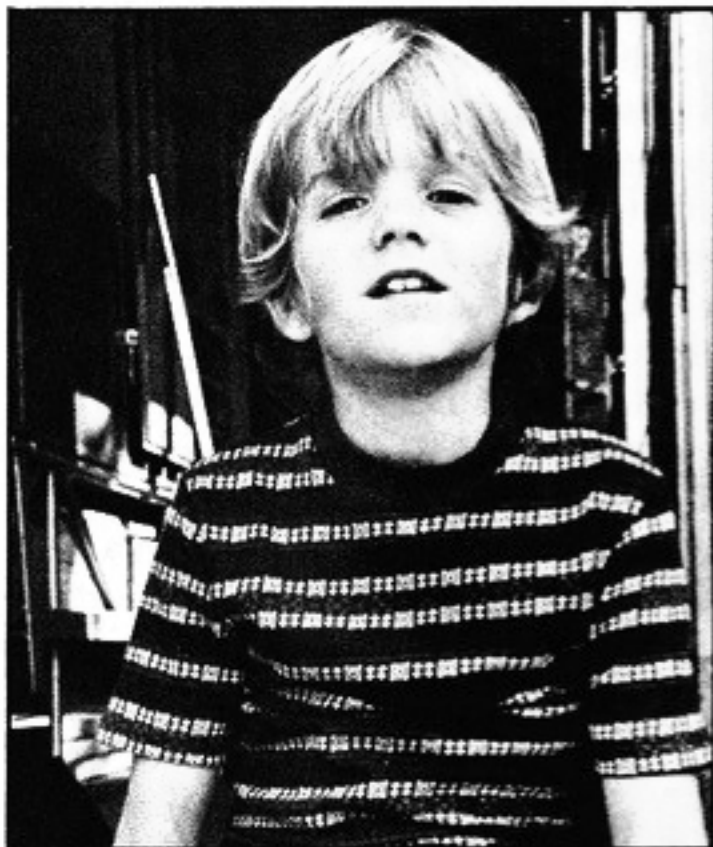

When I wake up in the morning the first thing on my mind is Danny Bonaduce. I hung his picture above my bed on the ceiling so that my eyes will gaze upon it first thing in the morning. I sure hope that sometime there will be a big picture of Danny on the front of the PFM, after all he needs a turn too.

### NEW LOVE

I think my grandma has found a new love. None other than Dave Madden. She always watches the Partridge Family with us and I know that the reason is because of Dave Madden, even though she won't admit it. I'm going to send in a subscription to the Partridge Family Mag. for her birthday. I know she likes to read it, but she doesn't feel right buying it herself.

Dear Liz,

I just got hip to the Partridge Family Magazine and all the others your company puts out. A friend of mine said that she has a groovy book about David Cassidy in concert and that I could order one too. Where do I order from and where can I find an order blank?

Lanny Marshall

Dear Lanny,

Glad to hear you've discovered the Partridge Family Magazine and I hope you'll enjoy them all. You can order your very own copy of David's Concert Album if you'll just turn to page 41 and fill out the order blank. Happy reading!

### SHORT AND SWEET

Here are 5 words that the whole world should know:

**BRIAN FORSTER IS A DOLL!**

### HEAR ME NOW!

Last issue I read what someone said about David. Rotten! Well you have one heck of a nerve saying that! How would you know! Well I know David is a groovy person because my girlfriend got a letter from him last year and it was great. Don't go saying ugly things about him unless you know what you're saying! Thanks for hearing me out.

### SPREAD THE WORD

Just want to spread the word to all of you David fans and let you know that David's Private Photo Album is the greatest! All the 75 photos are truly super. Why don't you see for yourself and get your order in, **RIGHT NOW!**

### ABSOLUTELY BEAUTIFUL

I'm writing to tell you that I thought the two color pictures of David and Susan in the article, "Susan and David: The Rumors That Hurt Them," were absolutely beautiful. Both pictures showed the beautiful color in their eyes and the intensity of the color was just breathtaking. I really think they're the best pictures I've ever seen of them. Thanks so much for printing them. The one of David should be (or could be) made into an out-a-sight poster.

Dear Liz,

I'm dying to join David Cassidy's fan club, but I don't know how. Please help!

Dear Dying Fast,

You can join David's fan club just by filling out the coupon that you find in any of our magazines and if you'll flip over to page 24 you can join today!

### RESTLESS NIGHTS

Ever since Brian Forster arrived on the show my nights have been restless. I dream of him constantly and do nothing but talk of Brian to all my girlfriends. It's pure torture to me to know that I'll probably never see him in person since he lives so far away.

### SHAME ON YOU

Shame on you people out there who spread those horrible rumors and write David Cassidy nasty letters. Why can't you leave him alone if you don't like him. How would you like it if you were in David's shoes and people said awful things about you. Well let me tell you something—**YOU DESERVE IT!** Only selfish and inconsiderate people like you could hurt someone as sweet as David Cassidy.
