DAVID'S OPEN HOUSE

Music still #1 for David

Dear Al,

First of all I think your column is just great and I really enjoy it. Keep up the good work. I've heard David likes yogurt. If so, what's his favorite flavor?

Robin Handy
Sharon, Mass.

Dear Robin,

David enjoys yogurt only sometimes. He's really freaked out on strawberry and plain right now. By the way, I'm glad you like my column—it's always nice to know that there are girls like you out there.

Dear Al,

I would like to know if David has ever owned a motorcycle? A long time ago, I read he had a B.S.A. Is this true?

JoAnne Ezell
Pensacola, Fla.

Dear JoAnne,

In 1967 David had a Honda 160 which he no longer has. David never owned a B.S.A.!

Dear Al,

Does David ever want to settle down and have a real family of his own?

Susan Friedman
Chicago, Ill.

Dear Susan,

Eventually, David wants to get married and have a loving wife and some cute children. When he finds the right girl to share his life and love with, you can be sure David will be wearing a certain ring on his left hand. So far, he hasn't found that dream girl of his yet—so Susan, you still have a chance.

Rushing for concert gigs

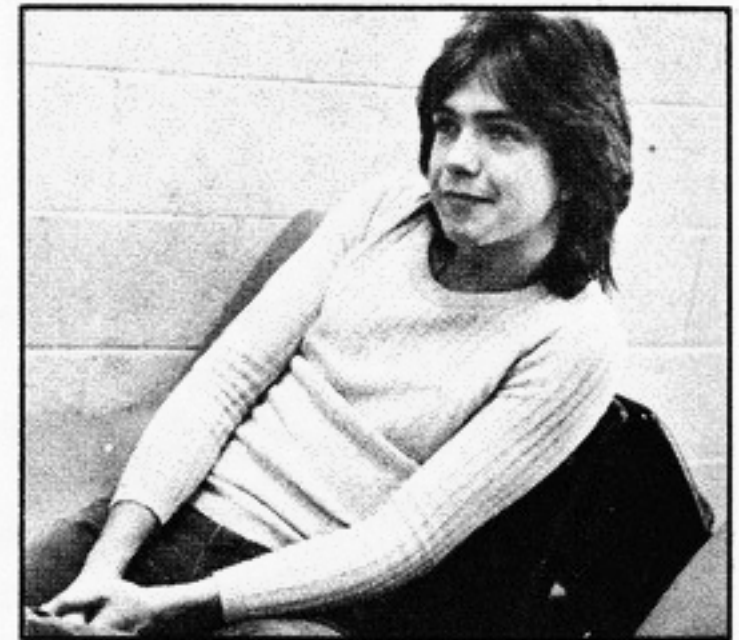

Dear Al,

I've seen a lot of pictures of David with a beautiful Palomino horse. Since he likes horses so much I wondered if the horse was his. Also, I just love to read your column!

Stephanie Gill
Encino, Calif.

Dear Stephanie,

I'm sorry to say that the horse you've described doesn't belong to David—but it does belong to another good friend of David's and he can ride Apollo (that's the horse's name) anytime he wants.

David wants a family someday

Dear Al,

I've noticed that David has such nice teeth and I wanted to know if he ever wore braces.

Elisa Ruiz
N.Y., N.Y.

Dear Elisa,

Believe it or not, David has never had braces. Those nice teeth all came naturally—the lucky guy!

Dear Al,

Does David have any particular season in the year that he just couldn't live without?

Cathy Gower
Weatherly, Pa.

Dear Cathy,

In California, I think he digs the summer the best. But it really depends on where he is for David to pick out a favorite season. For instance, I know he loves snowy winter weather—and then he claims he could live on one of the tropical Hawaiian islands forever!

Dear Al,

Since David's on the road so much traveling, does he mind the fast pace of rushing around and doing concerts?

Julie Ann
St. Paul, Minn.

Dear Julie,

David doesn't mind it at all especially since he loves the music and meeting all of his fans so much. Sometimes though, he admits that he'd enjoy traveling more if he had time to spend a few days in the different cities rather than just rushing through.
