

Brian missed his dressing room!

...but it was also tiring! Then I relaxed, and just as I was getting used to the rest, presto! Back to work!" **SUSAN** laughs.

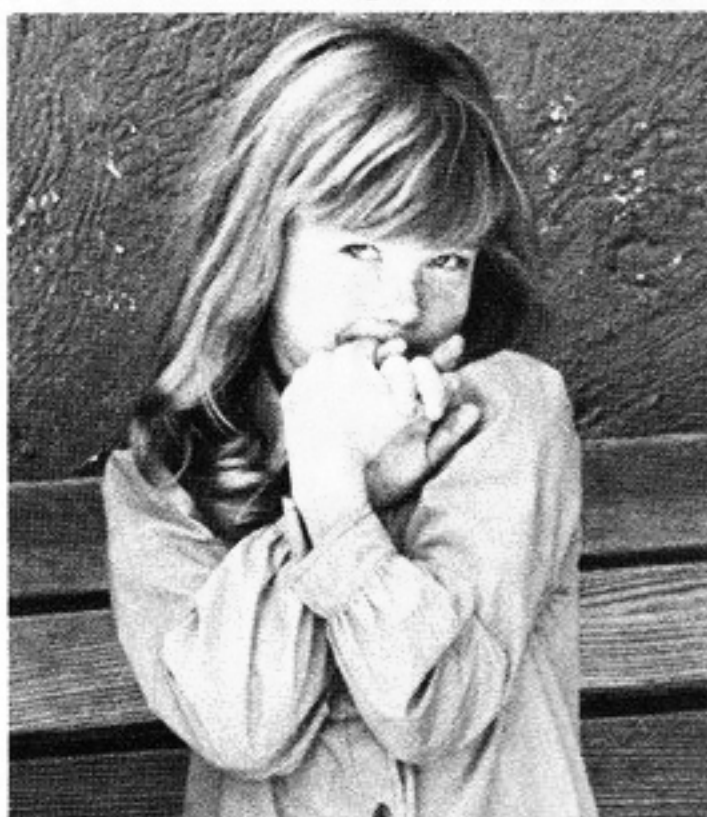

SUSAN also says that she really missed everybody. "I was so busy, I couldn't keep in touch with my friends as much as I would have liked to! But now I'll be seeing them every day, and that'll be great!"

• **Brian and Suzanne** •

SUZANNE and **BRIAN** arrived while we were in **SUSAN'S** room, and are already busily riding their bikes around the lot. When they see us, the two **PARTRIDGE** kids stop and chat!

"Guess what?" **SUZANNE** asks us. "My rabbit is still here! I was afraid he'd leave while we weren't shooting, but some of the men working on the musical, '1776,' fed him everyday, so he stayed here!"

SUZANNE seems so happy about the rabbit that you expect her to jump ten feet up in the air! Luckily, she settled for a quick spin on her

bike instead!

BRIAN is very excited too, as he tells us about his drum lessons!

"I practiced all during the hiatus, and my teacher says I've gotten really good! I hope to play with **DAVID** during breaks and maybe he'll teach me a few tricks with the drums. I used to watch him play last season, and he's really good!"

• **Danny and Dave** •

DANNY and **DAVE** arrive together, because **DANNY** just spent the night at **DAVE'S** beach house, and they're reporting for work after a fun-filled last day of vacation!

"**DAVE** called me yesterday, and asked me if I'd like to spend our last free day together. I said yes, then I asked Mom, and she said I could, so **DAVE** picked me up, and we took pictures, flew kites, and went for a ride in the convertible."

After a day like that, you'd expect **DANNY** and **DAVE** to be worn to a frazzle, but they're just as perky as ever!

DAVE says a hurried hello, and rushes to his dressing room. **DANNY** explains that **DAVE** has to be on the set in full makeup within ten minutes!

• **Shirley Jones, Last But Not Least** •

As **DANNY** hurries off to his dressing room, you notice **SHIRLEY JONES** waving to you from her dressing room window. We start walking to her room, but before we reach the door, she is already in the doorway!

"Hello! It's been a long time!" **SHIRLEY** says brightly as we step into the colorful dressing room. "I

was just putting a few things away ... it's funny, but it seems like only yesterday that I was cleaning everything up to go on vacation!"

SHIRLEY also received a basket of flowers from the executive producer, and they are sitting on the table.

Shirley's all smiles!

"Aren't they beautiful?" she asks us, as she decides that they'd look better on the shelf.

SHIRLEY is just as excited about getting back to work as the rest of the cast! She sits in a golden yellow chair and says, "I had a lovely time on the hiatus, but I got restless, and I want to go back to work." **SHIRLEY** laughs, and adds, "As soon as I'm ready for a vacation, our next hiatus will be here ... so everything works out perfectly."

Speaking of perfect ... this season is shaping up to be the best batch of **PARTRIDGE** shows yet!

Dave's unhappy about unpacking!
