Q. Does David and his stand-in, Jan Freeman, date? I think they make a cute couple!

A. We agree that they make a cute couple, but the two of them are NOT dating!

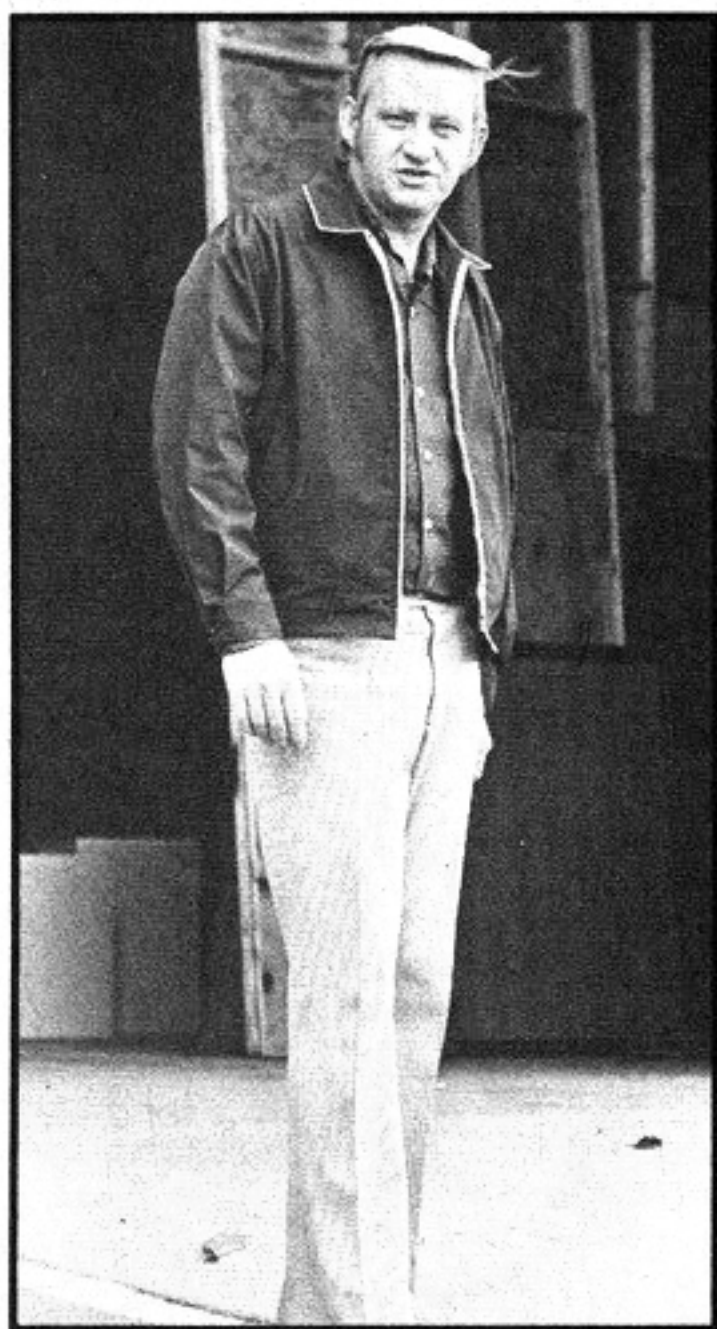

Q. Has David Cassidy ever met Bobby Sherman? What do they think of each other?

A. Bobby and David met earlier last year when Bobby's series "Getting Together" did its spin-off from the "Partridge Family." Both guys hit it off very well and were glad they had the opportunity to work together!

Q. Is it true that Brian Forster's parents are both in show business? If it is, that explains why he has such an abundance of talent!

A. That must be a good part of the reason, because Brian's parents are indeed in show business! His mom, Jennifer Raine, is an actress, and his step-dad, Whit Bissell, is a very popular and talented actor!

Q. I've been told that in real life Dave Madden, alias Reuben Kincaid, is very short and wears elevator shoes on television! Is that the truth? I just can't believe it!

A. DON'T believe it, because in real life Dave Madden stands a tall 6'2"!

Q. Does Danny Bonaduce like to paint? I was wondering because most everybody does!

A. Wonder no more because Danny really does like to paint!
