

RUGGEDLY HANDSOME RICK SPRINGFIELD, that Aussie with the melodious voice and luscious smile, is really breaking hearts in America. As a matter of fact, rumor has it that Universal is planning production of a new animated television series around Rick. Sure hope it catches on!

David "teen king" Cassidy and his *Partridge Family* friends are pulling out all the plugs in this season's episodes. Wonderful guest stars and great new songs! For instance, hope you caught your *Room 222* friend David Jolliffe in "This Male Chauvinist Piggy Went To Market." (And what a great title!)...ABC further brings you smashing Scott Jacoby in the *Movie Of The Week* "No Place To Run." Scott's co-star is Herschel Bernardi (who you probably remember from the TV show *Arnie*). Later on this year, be sure to catch Scott in another ABC movie "That Certain Summer."

Krazy Kris Tabori watchers! This incredibly handsome young man will be making many appearances on your telly this year. First of all, Kris' CBS-TV *Medical Center* episode "The Wall Of Silence" in which he plays a deaf teenager was so terrific that it was the opening episode of this great show. Not only that, but you can catch Kris in an ABC-TV *Movie Of The Week* "Family Flight." Doesn't seem like he'd have time for much more, does it?—But he does! Kris and his extremely talented mother, actress Viveca Lindfors, will be touring in January in playwright Ibsen's *Ghosts*.

Juicy tid-bits for you to munch on... Bruce Kirby, Jr., whom you met last summer in ABC's *The Super*, becomes a student in ABC's *Room 222* episode "Walt Whitman Goes Bananas"...Hope you caught Michael-James Wixted in your all-time fav show, ABC's *Mod Squad* and in NBC's *Ghost Story* episode "Alter-ego."... Sometime this year you should be able to see Rick Nelson, the son of America's favorite family, in NBC's *McCloud*, *The New Mexican Connection*.

Wonder if Rick will sing?... If love and romance are your specialty, be sure to catch John David Carson in ABC's special *Of Men And Women*. No air date yet, so keep posted to your TV listings and to *16* and *SPEC*.

Gorgeous Jan-Michael Vincent has been signed to star in CBS *Tuesday Night Movie*, "Sandcastles", so keep a look-out!... Marc Copage has grown up quite a bit since his starring TV role on *Julia* and is making a guest appearance on NBC's syndicated show *Young Doctor Kildare* episode, "Charlotte Wade Makes Lots Of Shade". Itza don't miss!... Chip Hand, son of former President Johnson's Chief of Protocol Lloyd Hand, is quite handsome and a talented singer and actor to boot. He's joining your fav students on ABC's *Room 222* in "You Don't Know Me, He Said". A definite must-see!

One fantastic show in syndication that you've been enjoying lately is *The Adventures Of Black Beauty*. The beautiful female star, Judi Bowker, is also the star of Paramount's *Brother Sun Sister Moon*. She hails from England and really digs America. Her co-star, Roderick Shaw, was born June 30, 1958. His professional career started at the age of two when he began doing British TV commercials. Roderick's favorite subject in school is science and his hobbies include collecting stamps and match boxes. Keep a look-out in your local TV listings for the time and station of this smashing show.

Stephen "Cowboy" Hudis will be making a guest appearance on ABC's *Alias Smith & Jones* "The Long Chase." It was filmed in Utah and it was Steve's first visit to the state. New News on Steve: He bought himself a set of drums and, according to his father, is thunderously practicing on them for a "mercifully limited 30 minutes daily"! Don't fret, Mr. Hudis, once Steve's lessons start, he'll probably be the next Ringo Starr! Last year Steve appeared in CBS's *Medical Center* and Chad Everett said to him, "You'll be back"—and, sure 'nuff, he is! Last June, Steve graduated from junior high school and among the scores of autographs in his yearbook, one admiring but honest friend wrote, "To Steve Hudis, a great actor, but a lousy locker partner"! That's all right, Steve,—cowboys were never known for their neatness!

Happy listenin' and happy watchin'. Meet'cha here next ish with all the latest on all your fav telly stars!

The Mystery Star this month is your favorite TV-doc-healer. One more hint—he works in a big city university hospital! A full year's subscription to both *16* and *Spec*—and a surprise gift—go to the first five readers who send the Mystery Star's correct identity to Telly Time, Mystery Picture, *16* Magazine, 745 Fifth Avenue, New York, N.Y. 10022.
