

QUIZ— WHAT'S A PERFECT DATE?

The editors of FaVE magazine have gotten their heads together and designed a quiz to help you decide how you feel about dating. It doesn't really matter whether you date very much or even if you date at all. The point FaVE wants to make is that now you have a chance to decide for yourself—what is the perfect date? And once you decide, don't settle for less!

- | | YES | NO |
|--|--------------------------|--------------------------|
| A perfect date is:
... <i>sharing popcorn at a double feature.</i> | <input type="checkbox"/> | <input type="checkbox"/> |
