

# "DREAMS DO COME TRUE!"

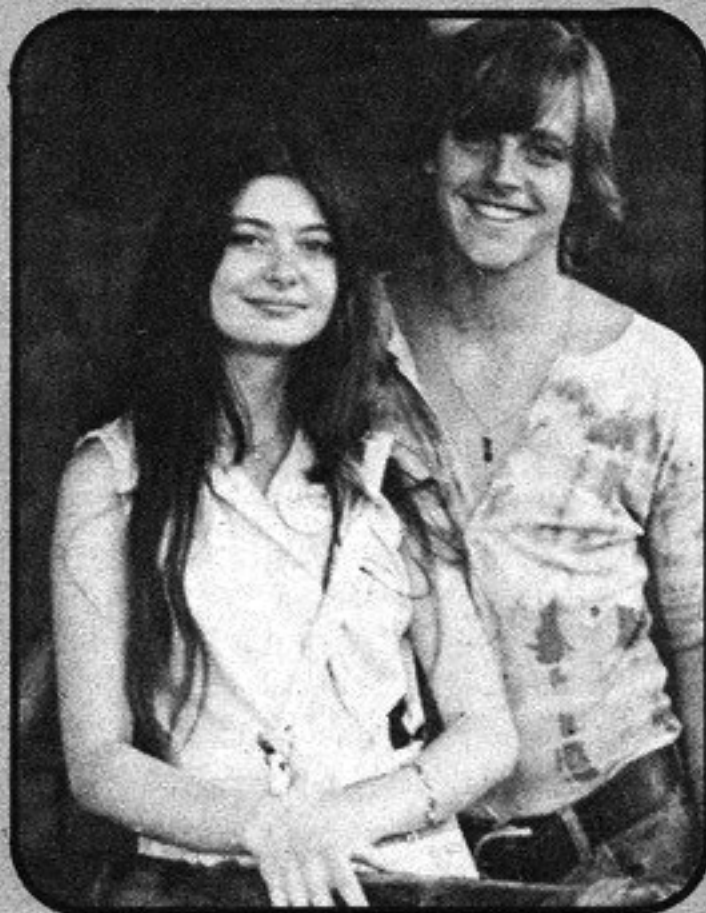

Don't make fun of those girls who cross their fingers & make wishes, or make wishes upon a star, or believe in dreams—because on these 2 pages are 3 lucky girls whose fondest dreams did come true! Meet the winners of "Osmond's Birthday Girl" (Robin McDonald), "Kiss David" (Sue Corning), and "Tour with Bobby" (Jeri Burkett).

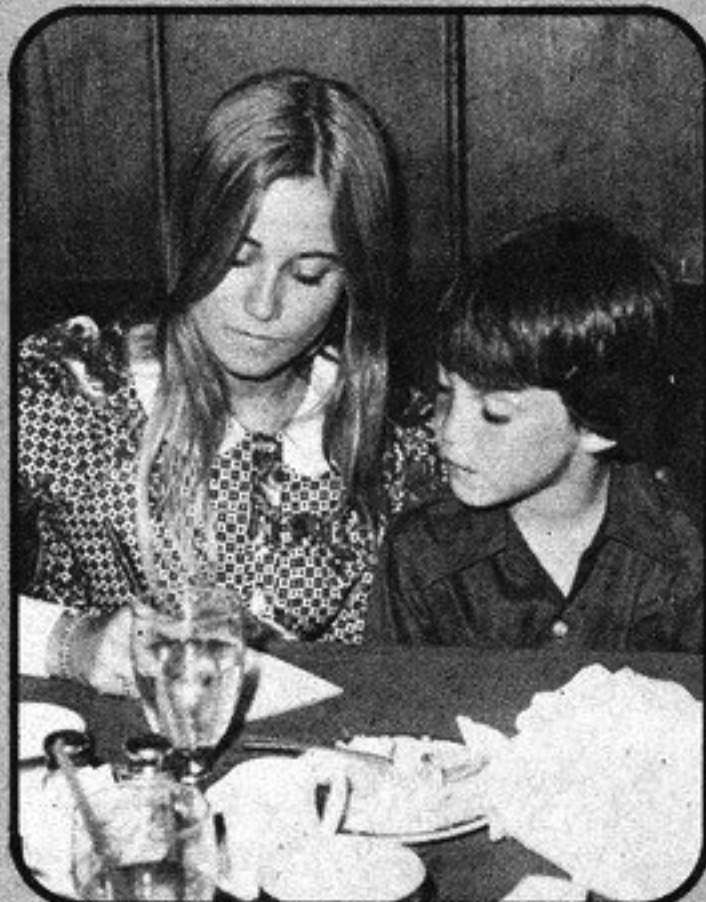

EDITOR LIZ Dagucon shows Sue what the color pictures for FaVE look like before they go into print.

"MARK Hamill (who appears on TV's "General Hospital") is easy to listen to & marvelous to look at!" says Sue.

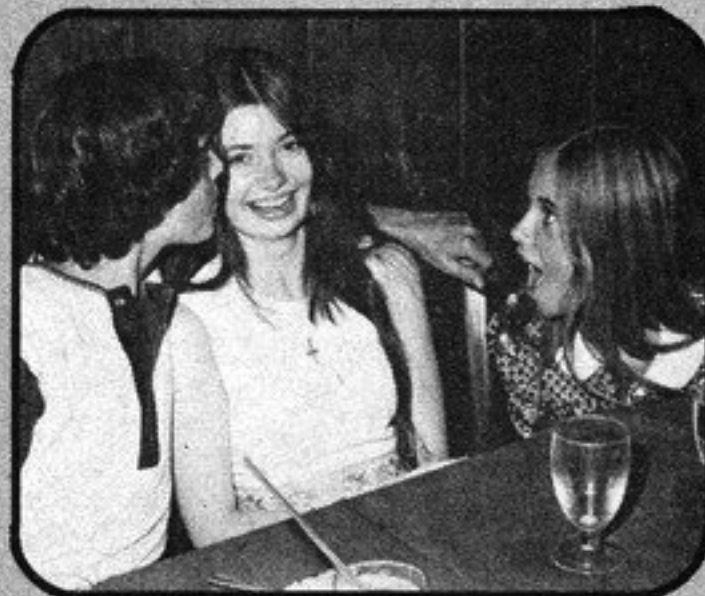

AFTER DINNER Mark asked Sue to go for a short stroll with him. Sue couldn't think of anything better!

A YOUNG FAN recognized pretty Maureen McCormick at dinner with Sue & MM gladly signed an autograph!

YUMMY! ITALIAN spaghetti was everyone's choice that night and Sue laughed all night—between mouthfuls!

CHRIS KNIGHT added his own kind of dessert—a kiss! Dig the look on Maureen's face! Absolutely precious!

ANOTHER BASHFUL fan asked Chris for his autograph & cute Chris gladly smiled & granted his fan her wish!
