

## OSMOND'S BIRTHDAY GIRL

**A WINNER!** That's her, Robin McCormick, sitting on the floor at home with her gifts from the Osmonds.

**SMOOCH** Pooch seems to be as glad about the contest as Robin. And what but a smooch is more appropriate?

**ROBIN** admires a suede shoulder bag that came with the presents. It will go about everything. Wow!

**A NOTE OF** congratulations from the Osmond Brothers will be kept & cherished for a very long time.

**WINNING KISS!** Sue Corning must be in another world at this moment as David lovingly bestows a DC kiss.

**SUE CORNING** loved her visit to the Partridge set. Suzanne and red-haired Danny made her feel at home.

**GIRL TALK** was an interesting time for Sue as she hears Susan Dey explain the little-known PF secrets.

**IT'S HARD** to tell who is more mystified at lunch. David is really enjoying the company but so's Sue.

**KISS DAVID**

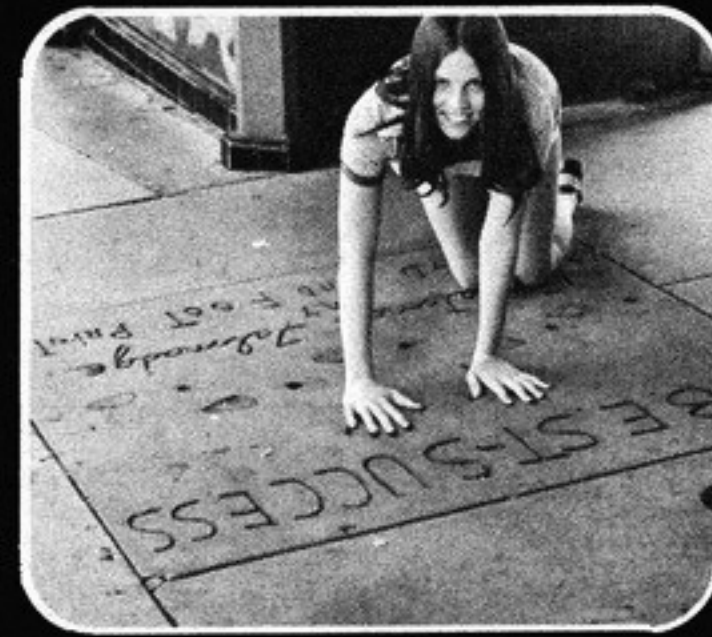

## TOUR WITH BOBBY

**SMILE,** was the easiest thing on earth for Jeri as she snuggled up to Bobby and posed with her fave.

**SONNY & CHER** are always having a good time, even when the camera reloads they are entertaining for all.

**WRONG** size for these hand prints. Maybe if I tried someone else's. Just can't believe I'm in Hollywood. Wow!

**A HAPPY** quartet, Liz, Jeri, Bobby and Mrs. Burkett lined up at CBS for the FaVE camera. What a souvenir!
