

DEAR CAROL

Q. My friend has the first Partridge Family album and on the back of the cover it says "Simone, a dog who digs today's music, completes the Partridge entourage." Lately I haven't seen the dog on the show. Why? S.B.—Wyckoff, N.J.

A. The producers of the show decided that the dog wasn't really necessary and so it was written out of the cast last season.

Q. I would like to know who won Donny Osmond's Puppy Love contest in the July issue of FLIP. M.T.—E. Los Angeles, Calif.

A. The lucky winner of the enormous stuffed Puppy Love was Diane Brown of Chicago, Illinois. Diane and the 25 runner-up winners of the contest are listed in the October issue of FLIP.

Q. Does Three Dog Night have a fan club? If so, where can I join? D.S.—Indianapolis, Ind.

A. They sure do and you can join by writing to the fan club president Dore Nelson at P.O. Box 1077, Beverly Hills, Calif. 90210.

Q. In the August FLIP you said that a lot of stars are wearing POW bracelets. I would like to know where I can get one. D.M.—Chicago, Ill.

A. You must have missed the October issue, where we gave the address, but here it is again. You can get a POW or MIA bracelet by sending a donation of \$2.50 for a nickel-plated or \$3.00 for a copper-plated bracelet to VIVA, 10966 Le Conte Ave., Los Angeles, Calif. 90024.

Q. Can you tell me who has the deepest and highest voices in the Osmond Brothers? C.J.—Chicago, Ill.

A. Sure—Wayne has the deepest voice and Merrill the highest.

Q. I watch the Sonny and Cher show all the time and I'm wondering when Sonny and Cher's birthdates are and when their little girl was born? P.J.—St. Paul, Minn.

A. Sonny was born February 16, 1923, Cher was born May 20, 1946 and Chastity Bono was born March 4, 1969.

Q. Is it true that Roger Davis is married to a model? If not, then who? C.R.—Louisville, Ky.

A. Yes, it's true. Roger is married to model Jaclyn Smith, whom you've probably seen as the Breck girl.

Q. Is there a Donny Osmond songbook? And are there any Osmonds songbooks beside Movin' Along and Homemade? S.S.—El Cerrito, Calif.

A. Yes to both of your questions and if you'll check in the November issue of FLIP you'll find a special offer just for FLIP readers for copies of the Osmonds' and Donny's songbooks.

Q. Is it true that Cher had another baby before she had Chastity but it didn't live? M.W.—Minn., Min.

A. Actually, Cher had several miscarriages before she finally had Chastity.

Q. Why does John Kay wear dark glasses all the time? R.L.—Montgomery, Ala.

A. John is partially blind and his eyes are sensitive to sunlight, that's why.

Q. What is Donny's full name? S.F.—San Francisco, Calif.

A. Donald Clark Osmond.

DONNY OSMOND

Q. Is it true that Jimmy Green-spoon of Three Dog Night is getting divorced from Lee? What will become of Heather? L.K.—Miami, Fla.

A. Jimmy and Lee are separated at the moment and Heather is with Lee, but we can hope they'll work it out before it goes as far as divorce.

Q. I really dig Three Dog Night, but I was wondering how to spell Joe's last name. Sometimes I see it spelled Schermie and sometimes Shermie? Please un-confuse this! K.V.L.—Lakewood, Colo.

A. Glad to oblige—Joe's last name is Schermie.
