

David: Drop in on Him for Lunch!

*"You want a sip of my soda, too??
Unh-uh—I'll get you your own
can. And a sandwich, too—
why didn't you tell me you
haven't eaten yet?"*

"Hey, I thought you said a little bite!"

*"That's better! In my world an
(ahem!) extra guest for lunch is
no problem at all—'specially when
she's as nice as you!"*
