

TOMMY Smothers enjoys food at "in" Strip eatery after "Lenny" premiere.

doesn't forget that there are very few types of magazines like that around now and not all fan magazines want to print the sensational. We here at TBS know **RANDY's** an extraordinary young man and hope he soon realizes he doesn't have to be shy with us—or his oodles of fans, right? . . . Another extraordinary young guy is **Bonanza's MITCH VOGEL** who is an expert horseback rider? How do I know? Simple—**MITCH** took me along when he decided to go riding in Chatsworth, California. **MITCH** has a fantastic sense of humor and always enjoys a good time. And you'd be amazed at how well he can handle a horse! Of course, he gets lots of practice over on the **Bonanza** set! But did you know **MITCH** is a great amateur magician too? Well, he is! And just to prove it, when our ride was over, guess what **MITCH** pulled out of his pockets? Believe it or not, a small rabbit! But **MITCH** confessed he found it out on the range! . . . **Marcus Welby's JIM BROLIN** has just pulled off a little magic of his own, too! Yes, **JIM** and his wife, **JANE**, are just back from a trip to visit **PRESIDENT NIXON** in the White House! What did **JIM** have to say about meeting **MR. NIXON**? Plenty!! "The thing I'll always remember the most about the President," **JIM** told me, "is his kindness. He looks you directly in the eye and tries his best to make sure everyone is comfortable when they speak to him!" . . . **THE JACKSON FIVE's** biggest bundle of energy, **MICHAEL**, tells the funniest story I've heard in a long, long time! **MICHAEL** says that the most "interesting" gift he's ever received from a fan was—a pair of shorts!! "While we're on tour, I'm gonna

wear them," **MICHAEL** jokes. "They fit perfectly!" A very unusual gift for a very unusually talented fave, don't ya think? . . . Move over, **OSMONDS** and **JACKSON FIVE!** You're not the only singing faves who have a cartoon series based on your fantastic adventures! Next will be **RICK SPRINGFIELD**, the very popular new singer from Australia. Bet the cartoon series is just as exciting as shy-but-adorable **RICK!** . . . More, more, more on the **LIZA MINNELLI** and **DESI ARNAZ, JR.** romance! When I bumped into lovely **LIZA** at Hollywood's Bistro restaurant, **LIZA** was filled with joy! "DESI and I won't get married," **LIZA** said, "until after we return from his **Billy Two Shoes** film location in Israel. That's probably gonna be in December. **DESI** wants to get married in Baja (near Mexico), but my father wants a wedding here in Hollywood. As for me, I'm in the middle." Oh well, wherever **DESI** and **LIZA** tie the knot, I'm sure they'll be happy! From the big, beautiful smiles on their faces, I just know they could be happy anywhere!! . . . A very special pat on the back for a very special young lady—that's **CHER!** (Who else???) Yes, **CHER** has buzzed me to tell me that she's going to be doing a series of TV commercials for a very worthy cause! **CHER** will be telling viewers about the Alaska Native Enrollment plan to encourage natives of that state to register for their share of land there. As you know, **CHER** herself is part-Indian and is quite proud to perform this service for her Indian sisters and brothers up in that chilly state. Bravo to **CHER!** Here's a star with a big heart! . . . And to answer your letters asking what's been happening with ex-Courtship of Eddie's Father star, **BRANDON CRUZ**, here's the scoop. First, you can see **BRANDON** featured in the "King of the Mountain" episode of the **Kung Fu** series with **DAVID CARRADINE**. When **BRANDON's** not cutting up in front of the cameras, you can catch him practicing his newest hobby—learning how to play the guitar! "I'm terrible so far, but soon I hope I'll be able to play something!" **BRANDON** jokes! Keep at it—**BRANDON!** Who knows? Maybe you'll start your own group! . . . Oops, I hear the phone ringing again. Promise to buzz you next month, okay?
