

DAVID'S

CHRISTMAS

STOCKING:

HOW TO FILL IT!

David Cassidy's a hard man to buy a gift for! What could he possibly need, you ask? Why, he could get anything he wanted... he really must be "the man who has every-

thing!"

But you can fill David's Christmas stocking, right to the top, with many things that no one can have enough of, things that would be very special because they'd come right from you to David!

If David were to make out a Christmas list, he would want you to fill his stocking

...with **LOVE**, because David needs your love every day—and gives you his love in return!

...with **HAPPINESS**, because David likes to be happy **ALL** the time and can use cheering up sometimes when he's low.

...with **TIME**. David never seems to find time enough to do all he would like. He would also want more time to be alone with you!

...with **two dozen BALL POINT PENS**, because David always misplaces the ones he has, and when someone wants an autograph, he has to borrow a pen!

...with **RESPECT**. David's an artist, and he wants your respect for him as a person and as a performer!

...with **UNDERSTANDING**, for those times when he has problems and needs advice from someone who can help him over those bad times.

...with **SUGAR**, because David is so sweet!

...with **HOMEMADE GIFTS**. The gifts David treasures most are the ones you make for him yourself. The time spent in making even the smallest of presents tells David that you really care!

...with **A DOLLAR BILL**. David sometimes gets into the bad habit of not carrying any cash with him! And when he has to buy little things, he's embarrassed when he can't pay for them!

...with **PEACE**. One of David's most sincere wishes is that the whole world could be full of peace and love for everyone!
