

MORE MORE MORE

We the girls of the world would like to inform you that your book doesn't satisfy us fully. What we mean is that we love your magazine but, you haven't run the articles and pictures we desire most of all. What are these articles, pin-ups and posters all about? Why of course they're Michael Gray and Jay Osmond! So please try to get info and pics on these two faves of the whole world!

RECORD POWER

Our top radio station CKLW has a top 300 of each year. The Osmonds and Donny are so great, Donny made number 2 with "Puppy Love", "Down By The Lazy River" was 8, "Yo-Yo" was 23, "Sweet And Innocent" was 32, "Go Away Little Girl" was 37 and "One Bad Apple" was 56. Keep up the good work guys!!

RIGHT ON RANDY

Dear Sharon,

I read your article on Randy Man-tooth and I loved it. In fact I've fallen in love with him and I never miss "Emergency." We have a cabin with a black & white TV set and I watch him every single Saturday night. Wherever Randy goes I go.

WINNER

Dear Sharon,

My name is Carolyn Sullivan and I was the 13th winner of the Chris Knight Hats Contest. I love the prize album, so please when you see Barry, Maureen, Chris, Eve, Mike and Susan will you thank them for autographing it. I have never won anything in my whole life, but I won this time. Thanks so much, you have made me one of the happiest girls in the world.

Love Always
Carolyn

BEAUTIFUL BEN

Please print this in your next edition of Tiger Beat. We recently saw the fantastic movie "Ben". It was the best movie we ever saw. The theme was fantastically sung by Michael Jackson. If you want to see an out-of-site movie, go see "Ben". It's the greatest.

FAR OUT BUTCH

I think that Butch Patrick is really a far-out guy. It surprised me when I found out he was Eddie on the Munsters. Could you please tell me where I can write him and when he was born?

Hope & Joy
Mary

Dear Mary,

Butch was born June 2, 1953. He would love to hear from you, just write him at: Butch Patrick, c/o Claridge Music Group, 6362 Hollywood Blvd., Suite 306, Hollywood, Calif. 90028, or here at Tiger Beat!

I LOVE GREY-GREEN EYES!

SUPER EYES

We are wild about Michael Gray and his big, bright, beautiful green eyes! When we first saw him on Bobby Jo and the Big Apple Good Time Band he captured our loyalty and love forever. Our greatest wish would be to see him in person. Remember Michael, we'll always love you, especially your eyes.

NURSE'S AIDE?

Dear Tiger Talk,

I agree with Debbie Davis and Mary about having the Osmonds as teachers. But there's one thing about Alan or any Osmond for being a nurse's aide, the whole school would be getting sick! If it were true I can tell you something, I'd stagger in there and faint every minute.

STAMP!!!

I had a rubber stamp made up with the face of Jermaine Jackson on it. Well I guess I got a little carried away because not only are all my notebooks and papers stamped up but Jermaine's face is all over my walls. Big trouble!

Dear Sharon,

When did you put out the lyrics to David's new album in Tiger Beat?

Love Julie

Dear Julie,

The lyrics to David's new album "Rock Me Baby," were printed in the

November issue of Tiger Beat. For anyone who might have missed them you can turn to page 108 and order your back issue!

DON'T BE SO PREJUDICED!

I really enjoy Tiger Beat magazine and its sister mags. I have bought them for years, but there is one thing that gripes me. Just because someone's TV show is canceled you right away discontinue pictures and articles. I don't think that is very fair. You have not had anything on David Jones for years, except now and then I might be lucky enough to find a postage size stamp and sentence or two. You are prejudiced! David Jones is still No. 1 on my list, and on many more girls' lists too. Right girls?

HAIRY LIPS

Mr. Sherman! Open your eyes and read this. I just want you to know that I think you look very attractive with your "New Look". There are many of us girls out here who don't really care too much for guys with hairy lips, and I must say that I am no exception; but I've grown accustomed to it on you. Now all you need is some sideburns to complete the look. One thing that bothers me though is why cover up such a beautiful smile?!!
