

IT'S KISS-KISS TIME!

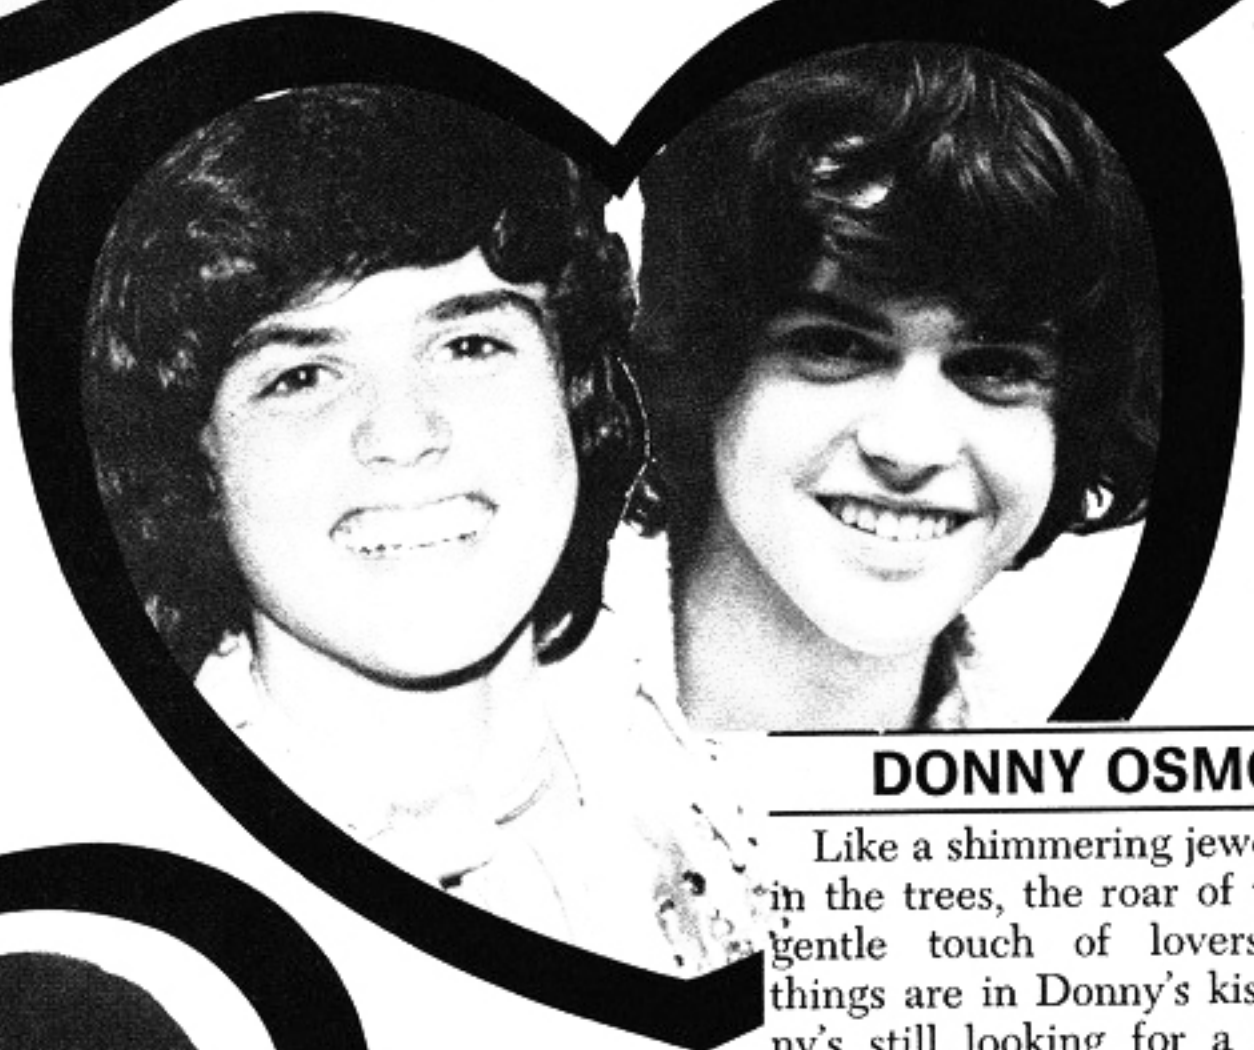

DAVID CASSIDY

David's kiss is filled with lots of beautiful things—love, caring, understanding, peace, hope, sharing and faith too, the faith he has in you. Kisses from David are so romantic because they say "I love you" without words. David can kiss with his eyes, too, just by looking straight at you with that sparkling glow!

BOBBY SHERMAN

His lips are soft, and gentle upon yours, yet firm, too! A kiss from Bobby is a beautiful kiss—practically indiscribable! But you already know that don't you? And Bobby likes to kiss, too, so you can be sure you'll get lots of them from him. But, Bobby doesn't just like to kiss you—he wants you to kiss him back! Will you?

DONNY OSMOND

Like a shimmering jewel, the wind in the trees, the roar of the sea, the gentle touch of lovers—all these things are in Donny's kiss and Donny's still looking for a special girl to share it with him—how about you?

TONY DeFRANCO

Since Tony's just 12 years old, he hasn't had that much experience in kissing! Maybe that will make his kisses just perfect for you! Tony's kiss will be a little shy, a little quick, and will just barely brush your lips—the first time, that is, but wouldn't it be great if he came back for more?
