

THE RIGHT LOOK FOR YOU?

December Fashions

W

hen you think about David Cassidy do you think about happiness, love and long walks in the park? About beautiful songs, the whistling wind or casual days in the country? David likes casual things — sharing popcorn, bike rides and uncluttered and simple clothing like the western look! Our model Marisa Defranco decided that the western look really was the right look for her and David thought so, too, when he saw her visiting at Columbia Ranch! Marisa's colorful plaid skirt is by Bobbie Brooks and she chose to wear the layered look — a matching knit top by Garland and navy knit pinafore sweater by Gnah-Ups. (Look closely and you can see the cute ladybug buttons.) Marisa's skirt cost only \$7.00, her knit top \$12.00, pinafore sweater \$14.00. Boots by Sbicca! An outfit like this would make any guy look twice, but wouldn't it be twice as nice if the guy was David? Is this the right look for you?
