

still beautiful as ever, but what a sunburn!

"While the Partridges were on a little vacation, I decided to go and see my family in New York! We had a ball, but we did stay out in the sun too long, and the vacation wasn't long enough for me to sit out my sunburn, so here I am, red as a beat! The make-up man almost passed out when he saw me!"

So hold on to your hats and your record money, because if and when Danny's album appears, it'll be great!

"I'm really excited about the idea of doing a record," Danny said. "I did some singing tours recently, and luckily, somebody thought I was good enough to put on a record. I love to sing, so I can't wait!"

#### PARTRIDGE MAILBOX

Dear Cecelia,

I saw Danny on the Mike Douglas Show recently, and I thought that he was terrific! He spent a lot of time talking about one of his brothers, and I didn't even know he had a brother. Please give me some family information.

Thank you,  
Louise Carlston

Dear Louise,

Danny not only has one brother, he has two! John is twenty, and Anthony, the one Danny mentioned on Mike Douglas, is sixteen. Then of course, there's Mom and Dad, and me.

Dear Cecelia,

I sent David Cassidy a sand candle, and I was wondering if you could find out if he got it or not.

Peace,  
Margie Bremmer

Dear Margie,

I asked David, and he said that he just received the candle, and sent out a thank you note immediately. By the time you read this, you may already have gotten an answer through the mail!

Dear Cecelia,

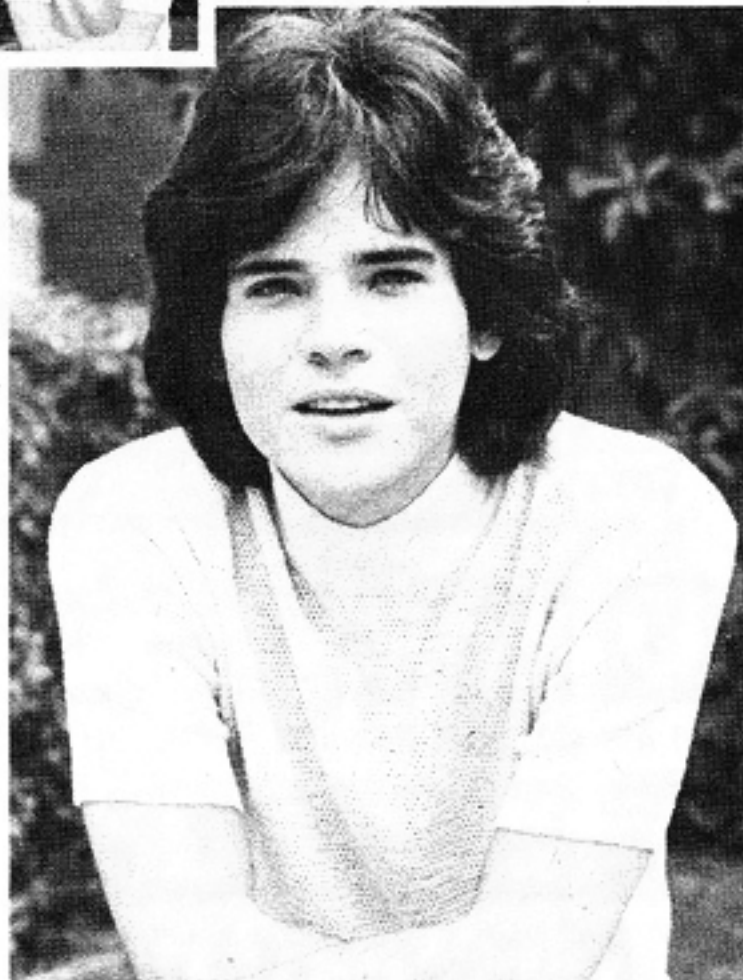

How often do you go to the studio for this column?

Just wondering,  
Kathy McKnight

Dear Kathy,

Last year, I used to go down once a week, but this year, I plan on going at least twice a week!
