

**EVERYONE GETS** restless sitting in one position all day, so Susan gets all the kinks out with an informal pose!!

**DAVID STEALS A FEW MOMENTS** by himself to read some very special fan mail. He would rather read his fan mail than anything else!!

**SURPRISED, DAVE?** Danny's pretty strong after all, isn't he! Take a guess. Who do you think won the arm wrestling?

**CAUGHT DAVID READING AGAIN!** He doesn't have very much time for radio or television—so he likes to occasionally glance at a newspaper.

**SUSAN** looks so cool & pretty all the time! Cold drinks help her, too!

**TIME OUT** for a fan! All of the Partridges love to chat during their breaks!

**NO TIME** for nine innings, but Suzanne and Brian get in a few quick throws sometimes!

**OLD AND NEW** together! Susan steps out of a Western scene to talk to a close friend!!

**SAM** joins David for an iced tea and sandwich at the Columbia Ranch!

**DOES COLUMBIA** really have fish? Brian's sure going to find out! He's an accomplished fisherman offstage!

**BIKES ARE** always handy to have around at Columbia, and Brian's so proud of his, named "Spirit of '76"!

**SHIRLEY APPRECIATES** a good cup of coffee first thing in the morning when everyone's still a little sleepy!
