

# PARTRIDGE FAMILY SECRETS

CONTINUED FROM PAGE 95

**Q.** Who are the make-up men and hairdressers on the "Partridge" set? I think they ought to be commended for making the Partridges look so good!

**A.** We agree; they do a fantastic job. Mel Berns is in charge of make-up and Jo Robicheaux does the Partridges' hair.

**Q.** Was Brian Forster born in Broomall, Pennsylvania, or was that Danny Bonaduce?

**A.** Danny hails from Broomall, Pa., and Brian is a native Californian. He was born in Santa Monica on April 14, 1960.

**Q.** Somebody told me that this year's March of Dimes poster girl got to meet the Partridge Family. Is this true?

**A.** Yes, it is. Eight-year-old Carmen Donesa had the opportunity to meet the Partridges as well as "Medical Center"'s Chad Everett earlier this year.

**Q.** I think that Shirley Jones looks fantastic; it's hard to believe she's the mother of three! Please tell me her height and weight, and what her secret is for staying so trim?

**A.** Shirley stands 5'5" and weighs 115 pounds. There's really no secret behind her staying so trim, although she tries to keep from eating too many high calorie foods. She's just one of those lucky gals who looks terrific all the time!
