

WHAT YOU'RE SAYING!

Continued from page 85

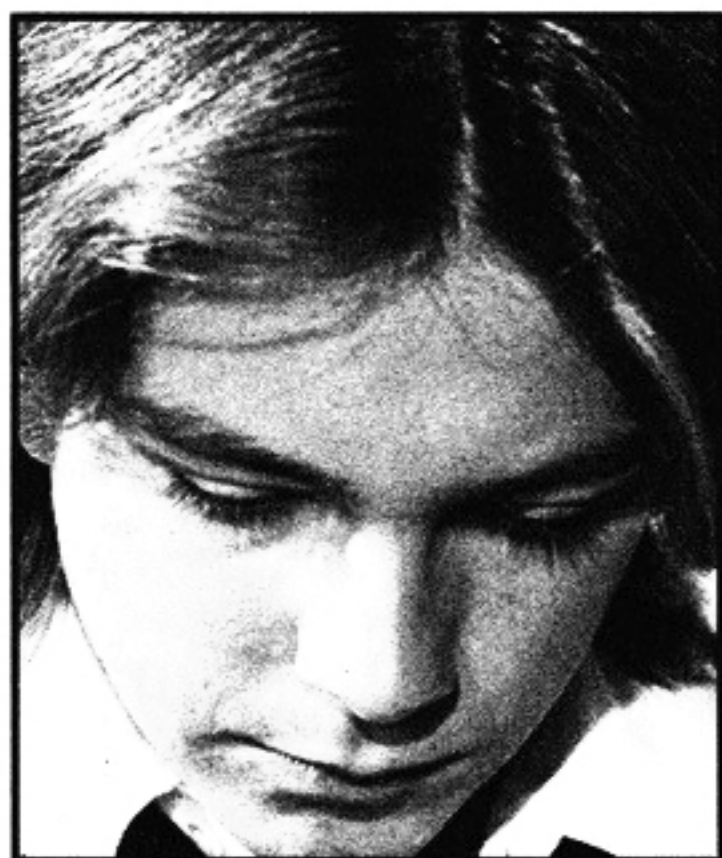

IF YOU LOVE HIM

To all who love David! All right, down girls. I know you love David, so do I, but does your love make David feel good ALL THE TIME? Just once in a while let him live. I mean it, it really makes him mad when he can't even go to the store without getting kidded.

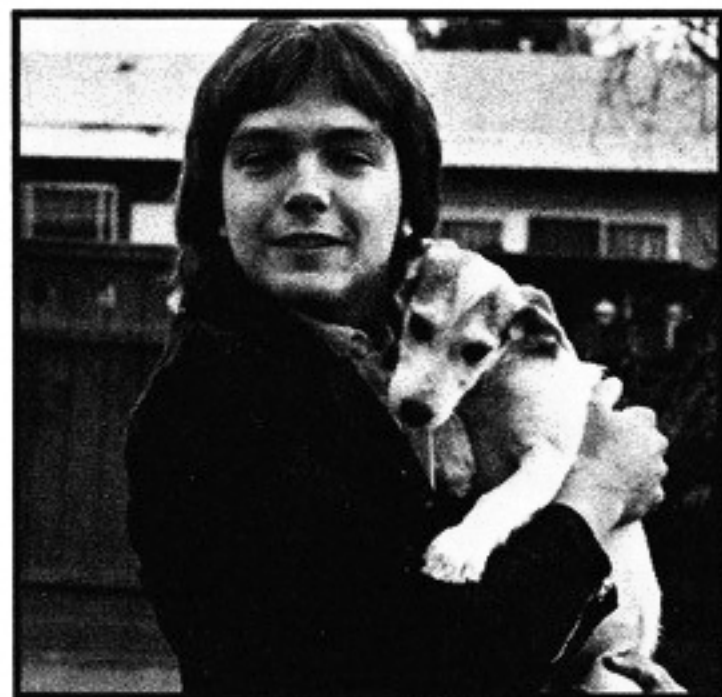

Come off it. Just once in awhile let him have fun. Sometimes if you see him ask for his autograph or ask for a token, don't kill him grabbing for one. OK please, for his sake girls. David loves it but not all the time.

David I hope this helps. It makes me so mad I could cry to think you can't even go shopping without getting killed. Good luck!

DON'T LET DAVID DOWN!

LOOKING FOR PUPPY LOVE!

WHO DOES DAVID CUDDLE?

I am just heartbroken about David and the way he keeps losing his adorable puppies. What is he

going to do next?

Peggy

Dear Peggy,

David is shopping right now for a new puppy to cuddle. But he is being very careful and taking his time so he can find the perfect pet.

A FORSTER FAN!

MORE BRIAN

Everything you print in Partridge Magazine is about David. Now don't get me wrong, I love David, but I also love the other Partridges. Please write about the rest of the family, especially Brian. I love him too.

JUST PERFECT

I decided to write you a letter of "no complaints." That's right. I love everything about the Partridge Family and this mag. Only one thing, could you do more color pictures?

Annie

Dear Annie,

Thank you for your letter. We are working on that right now.

EVERYTHING'S "A-OK!"

SHIRLEY'S TOPS

My mother asked me the other day who I would want to be my mother if she had to take a trip. And I said Shirley Jones. My sister said Shirley too. We think she's the top mother in the world. Could she stay with us from Oct. 12 to Oct. 20?

Judy and Jean

Dear Judy and Jean,

Shirley was very flattered by your sweet invitation but she is going to be working hard on the Partridge Family all this fall.

A VISIT FROM SHIRLEY!

SEE THAT SINCERE SMILE?

WHY CRITICIZE?

Why does this world have people who enjoy to criticize? Why do some people say David is a phony? They don't have any proof. And I don't think the world needs any more criticism when it has enough troubles already.

Let's not say David's a phony until you know for sure. I think you're the greatest David!
