

# Echo Valley

2-6809

by Rupert Holmes & Kathy Cooper

*We grew up together  
With ferris wheel and sunshine  
laughter  
A rainbow love that lasted after the  
rain*

*Now we're separated  
And I've become a lonely runner  
And I rest I hurt and wonder  
If I'll ever see you again*

*Echo Valley two-six-eight-oh-nine  
I used to call that number all the time  
But the last time that I called you  
We hung up cryin'*

*Echo Valley two-six-eight-oh-nine  
I can see you clearly in my mind  
But I'm scared to call  
It's been such a long, long time*

*Echo Valley two-six-eight-oh-nine  
I gotta call that number one more  
time*

*'Cause I've just got to know if you're  
still mine*

*(David speaks:)*

*Operator, get me Echo Valley  
2-6809*

*(Operator:)*

*I'm sorry sir that number is no  
longer in service*

*Echo Valley two-six-eight-oh-nine  
I've never been much for writin'  
'Cause what do you say to a dream  
that's dyin'  
A fragile life-line that's untyin'—  
oh no—oh no*

*I can't face the sunrise—lightin' up  
a road to nowhere  
Where you are—I have to go there  
Are you waitin'—I gotta know*

*I'm afraid that I'm not sure of  
A love there is no cure for  
I think I love you  
Isn't that what life is made of  
Though it worries me to say  
That I've never felt this way*

*I don't know what I'm up against  
I don't know what it's all about.  
I've got so much to think about  
Hey! I think I love you*

*So what am I so afraid of  
I'm afraid that I'm not sure of  
A love there is no cure for  
I think I love you  
Isn't that what life is made of  
Though it worries me to say  
That I've never felt this way*

*Believe me—you really don't have  
to worry*

*I only want to make you happy  
And if you say "Hey go away" I will  
But I think better still  
I'd better stay around and love you  
Do you think I have a case—  
Let me ask you to your face  
Do you think you love me*

*(Repeat Chorus)*

## I Think I Love You

by Tony Romeo

*Ba ba ba ba ba ba ba ba ba ba ba  
ba ba*

*I'm sleeping  
And right in the middle of a good  
dream  
Like all at once I wake up  
From something that keeps knocking  
at my brain*

*Before I go insane  
I hold my pillow to my head  
And spring up in my bed  
Screaming out the words I dread  
I think I love you  
I think I love you*

*This morning I woke up with this  
feeling  
I didn't know how to deal with  
And so I just decided with myself  
I'd hide it to myself  
And never talk about it—  
And didn't I go and shout it  
When you walked into the room*

*I think I love you  
I think I love you  
So what am I so afraid of*
