

Do you and Sam argue over who does what around the house?

No of course not. He lives in his own house I live in mine. We have an inter.com and we've always shared our responsibilities

If you could sing like anybody in the world, who would it be?

I could never answer that. I could never know what singing meant to anyone else.

Do you think you'll ever get married?

When my life smooths out a bit and I have time to give to a relationship I would like to.

Do you ever date fans?

I don't know?

I heard that you're planning to do a TV special all alone. Is this true?

There has been a lot of talk about it. But I would only like to do it if it was an important one, when I could stretch myself.

I keep hearing that you're married from my friend Alice. Is she wrong?

I hope so! If I am please have Alice write me and give me her name and address so I can at least introduce myself!

If I was in Hollywood this year, where might I be likely to see you?

The Wax Museum
