

CONGRATULATIONS!

"Getting Together" is so good and offers a lot to all ages. I know the show is going to be a success! And congratulations are in order too for Bobby's "Getting Together" album. He did it again—topped his last album—which seemed almost impossible to do. But then I guess nothing is impossible with Bobby!

BEST OF ALL

Earlier last year I had the greatest experience of all time! I got to meet and kiss Jack Wild! He's really a great guy and is not affected by his success at all! My friend and I also had the pleasure meeting Arthur, who took the picture!

P.S. He kisses beautifully!

BEAUTIFUL BOOK

I want to thank you for my free gift (Bobby's Private Photo Album) for subscribing to your magazine. It is the most beautiful book I've ever seen! I'm very delighted with everything, including the prompt reply and attention. Thank you so much.

DAVID'S OWN CHOICE

In the Dec. issue of FaVE two fans said they like David's hair the way it presently is. I thought that the way he wore it at Tampa's concert was just perfect! Everyone else loved it too! But don't you think it's really up to David the way he wants his hair?

TRIM THAT HAIR!

I saw the Osmonds awhile back on "American Bandstand" and I was a bit disappointed. They didn't look too good because their hair was sort of long. I hope they'll trim it a little. I don't mean to offend anyone because I love the Osmonds and am their number one fan, and I plan on staying that way for a long time!

REASON BEHIND "CHERISH"

I just heard David Cassidy's new song "Cherish" and although it's an old song I know why he chose to sing it. He's telling his fans that he cherishes their love and that he wishes he could meet us and tell us how much he cares. David, I know you care, and I cherish your love to me too! You're really beautiful!

WORTHY CAUSE

My friends and I read in your Dec. Fave Flashes column about "Mission: Impossible's" Greg Morris wearing a bracelet for his work for VIVA. Johnny Jason wrote that nickel and copper bracelets, each one having the name of one prisoner or soldier missing in action are being sold to help finance trips to Washington, D.C. and Hanoi for the wives of missing men. What we want to know is why didn't Johnny give VIVA's address? The general public should know about VIVA's work in helping the wives of our prisoners and soldiers that are missing.
