OVER & OVER

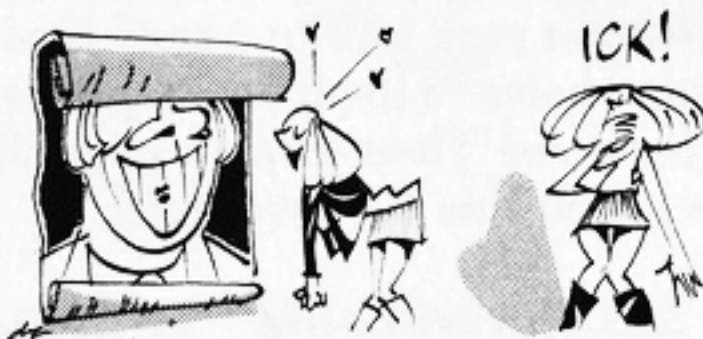

Have you noticed that Bobby has been wearing the same choker in almost all of his pictures during the last year? Now David wouldn't do anything like that!

LOTS A PALS

Thanks very much for putting my name in your pen pal list. I've received about 175 letters, and they're still coming strong! I've made lots of new friends thanks to your fantastic magazine!

Love,
Lori Sage

WRONG KIND OF POSTERS

I've got a complaint to make! I like everything in your magazine except your posters. Oh, they're beautiful and everything, but why not show faves puckering up for a kiss? Who wants to kiss a smile with teeth showing? No one kisses teeth!

TALENTED PAIR

I saw Jack Cassidy recently on "Bewitched," and I must say I never knew he was such a great actor. Now I know where David gets his talent!

ALL IN THE FAMILY

When the Osmonds appeared at the Charlotte Coliseum, my sister and I met them at their hotel. They were all so friendly and warm, I felt like I was part of the family!

LOVESICK GIRLS

Attention, all you girls who think you are in love with David Cassidy. When you see articles telling of how David is still looking for the "right" girl, you think about your being the right girl. But David does have a steady girl friend, and if he let you know about it would destroy his image and possibly his career, which proves David Cassidy is a fake!

DARLING DONNY

I think that the Osmonds are great, but I feel Donny is the best! Please have some more contests for him!

CALL A DOCTOR!

For those of you who hate the Osmond Brothers, you'd better go to a doctor right away. Ask him to look at your feet because your brain might have slipped down there!
