# RUMORS HOLLYWOOD

Dear FaVE,

Recently I read in another mag that David Cassidy hit a cab driver in the mouth for not calling him "mister." What I want to know is why other mags print lies like that about the stars? In the end, readers find out the truth (by reading FaVE, Tiger Beat, Tiger Beat Spectacular, and Partridge Family Magazine!) I'm going to stick to the Laufer mags!

Debbie Dritt  
New York City, N.Y.

Dear Debbie,

That incident with the cab driver never happened, and David told us that! Besides, David never takes cabs... he's got his own car! As to why other magazines stoop to writing false stories about the stars, we can only guess it's because they don't have direct contact with them like the Laufer magazines do! Thanks for your vote of confidence. We'll always tell you the truth!

BOBBY'S SISTER

Dear FaVE,

A friend told me that Bobby Sherman has a twin brother. Why haven't we heard about him before?

Cindy Jones  
Canton, N.C.

Dear Cindy,

You haven't heard about Bobby's twin brother before because Bobby doesn't have a twin brother! He has an older sis named Darlene... and that's all!

Dear FaVE,

Now, I'm really confused! I read somewhere that the guy on "Love on a Rooftop" was Pete Duel's brother, Peter Deuel! So, now who's this guy Geoffrey Deuel? Is he a third brother?

Nichole Key  
Lubbock, Tex.

Dear Nichole,

We'll try to straighten out those facts for you, ok? Here it goes: Pete Duel and Peter Deuel are the same person! Pete just changed the spelling of his name a little bit! Geoffrey is Pete's brother. They also have a sister named Pamela, but there are no other Duel brothers around... just Pete and Geoffrey!

Dear FaVE,

Is there any way that I can get in touch with Michael Gray? Ever since I saw his dreamy pictures in FaVE I can't seem to get him out of my mind... but then I don't want to either!

Suzie Barnes  
Seattle, Wash.

Dear Suzie,

Good-looking Michael has been getting lots of attention and mail! And why not? He's terrific-looking and very, very nice! You can write to Michael through FaVE! Just address your letters to 1800 North Highland Ave., Suite 600, Hollywood, Calif. 90028.

Dear FaVE,

I've just been told a terrible rumor! Was Donny Osmond really hospitalized because of an incurable disease? I'm so worried about him!
