Geoffrey is Pete's brother

**Q. Could you please give me the correct address for Chris Knight? I've been writing to an address in Hollywood but I keep getting my letters back saying there's no such address.**

F.A. - N. Babylon, N.Y.

A. Don't know where you've been writing to but the correct address is 9000 Sunset Blvd., Suite 319, Los Angeles, California 90069.

**Q. On "Medical Center" recently I saw a guy who looked exactly like Pete Duel but in the TV Guide they said he was Geoffrey Deuel. Did Pete change his name or am I going crazy?**

L.N. - Summit, Ill.

A. Neither, Geoffrey is Pete's brother but they each spell their last name differently.

**Q. I read in two different magazines, including FLIP, that Michael Cole and Paula Kelly were going to be married on September 11 but on September 3 I read in our local paper that they were married on September 2. What day were they really married?**

M.F. - Buffalo, N.Y.

A. The confusion here is Michael's own fault. He told everyone that they were going to be married on September 11 in Las Vegas, but then they were actually married on September 2 in Palos Verdes, Calif.

**Q. About a month ago I heard a sickening rumor that Chad Everett and Shelby Grant were getting a divorce. Please say it's not true.**

T.D. - Costa Mesa, Calif.

A. No, it's not true. All's well in the Everett household.

**Q. Please help! A friend of mine said that Rick Ely was killed in a car accident. I'm head over heels in love with him. Please tell me he's OK.**

B.A. - Albany, N.Y.

A. Relax, he's OK and just as cute and sexy as ever.

**Q. Is it true that David Cassidy only goes out with actresses? If not then why are they the only ones that are ever put in magazines?**

D.B. - Hazelton, Pa.

A. David goes out with a lot of different girls, including some actresses, but generally actresses are the only ones who want their pictures in the magazines with David.

DAVID CASSIDY

MICHAEL COLE

**Q. I would like to know the current writing address for Mark Lindsay. I've been writing to a box number in Terre Haute, Ind., but I keep getting my letters back marked "Box Closed." I know I can count on you to help me.**

F.F. - Tucson, Ariz.

A. Glad to be of service - Mark's current mailing address is 526 Walnut St., Terre Haute, Ind. 47801.

**Q. There was a picture in our local newspaper of David singing with the Partridge Family and he had some bandages wrapped around his leg, outside his clothes! I watched the show the picture was from and I didn't see anything on the show different about his leg. Could you please tell me what happened?**

D.L. - Staten Island, N.Y.

A. Well that bandage is one of those things you aren't supposed to see. The bandages hold a pad on David's leg so that he can hit the tambourine very energetically against his leg without bruising the leg. It's just one of those behind-the-scenes tricks used to make life easier for the actor. Nothing was wrong with David's leg.

**Q. Is it true that Andy Williams is the Osmond Brothers' uncle?**

A.A. - Lakewood, Colo.

A. No, Andy and the Osmonds are good friends but they are not related.
