

RESOLUTIONS!

DAVID CASSIDY

I'm going to try and squeeze in more time to write songs in the coming year. I've been so busy filming The Partridge Family series, doing concerts and recording in the past couple of years that I haven't had as much of a chance to devote to this first love of mine as I would like.

DONNY

To grow another inch, so I'll be 5'6" tall.

JAY

To stand on my head and stack b.b.'s!

MERRILL

To take a vacation in Utah, go fishing and just have a blast.

WAYNE & ALAN

To write a whole lot of good songs.

MARIE

To sew a lot more and get real good at it and to write a fashion book.

JIMMY

What's a New Year's Resolution?

GROUP RESOLUTION

To be a year older.

WARREN ENTNER

I'm going to bicycle everywhere in order to keep my weight down.

ROB GRILL

I'm not going to cook any more of those 6" fish—I'm going to throw them all back in the water.

RICKY COONCE

I'm not going to ride in elevators anymore.

DENNIS PROVISOR

I'm going to quit smoking because the smog conditions are so bad.

MAUREEN McCORMICK

1. To get more outdoor exercise.
2. To stay away from too many sweets.
3. To try to cheer people up more.
4. To smile more.

BEN MURPHY

I'm going to learn to sing and play the guitar.
