PARTRIDGE MAILBOX

Dear Cecelia,

Hi! I was wondering if you could help me? I really like Brian Forster a lot, even though I used to really like Jeremy. Could you give me his home address so I could write to him?

Thank you,
Mary Gonson

Dear Mary,

I'm glad you like Brian, he's a great addition to the show. I'm afraid I can't give you his home address because too many girls feel exactly the same way you do, and if we gave out his address, he probably wouldn't be able to get in the door for all the mail! Why don't you write to him care of the fan club! Brian stops by to get his mail regularly, and I'm sure he'll get your letter!

Dear Cecelia,

Do any of the Partridges believe in astrology? I'm a Leo, and so is Danny Bonaduce. I have read Linda Goodman's Star Signs a lot, and I have sent a personal horoscope to each of the Partridges. Did they like them?

Thank you,
Marv Monis

Dear Marv,

The Partridges thank you! Shirley said that she thoroughly enjoyed reading her chart, and was very surprised at the accuracy. Danny says hello to a fellow Leo.

Dear Cecelia,

I heard that David moved again because somebody set fire to his kitchen! Please tell me if this really happened!

Peace,
Joney Carleens

Dear Joney,

Calm down. David moved for one reason. He wanted to live in a more rustic setting—so he's moving to a new ranch house in the San Fernando Valley.

Dear Cecelia,

Can I still join the Partridge Fan Club, or is too late?

David forever,
Marcie Ludwig
